

Safety Contract – Summer Shed Project 2005

I agree to the following safety precautions while working on the “Summer Shed Project” at the Watertown Middle School:

- 1) While working outside I will take the necessary safety precautions against the sun including wearing sunscreen and/or a hat.
- 2) While working on the project I will not wear open toe shoes, sandals.
- 3) I will use all tools in proper and safe way in accordance with the directions of the instructors.
- 4) I will not engage in any unsafe behavior (pushing, tripping throwing objects, horseplay) while on the work site.
- 5) I will wear my safety goggles at all times while working with or near a hammer or handsaw.
- 6) I will do my best to work as a team member and avoid any negative comments.
