1. How did you first learn out about this program?

2. How long have you been a student in this program?

3. Before you were placed in class, did you have an interview with someone from this program? Did you take an assessment/test/exam? If so, please tell us about that experience.

4. How many hours a week do you come to class?

5. Is there a policy for student attendance? If so, please describe.

6. Are you making progress toward meeting your goals? How do you know? Can you give examples of changes with family members, in the community and/or at work that you feel are a direct result of being a student in this program?

7. Do you have to pay money to study in this program (e.g., a fee, a donation, paying for a book, folder, etc.)?

8. Who helps you (who can you talk with) when you have a question or a problem (e.g., transportation issues, childcare or work issue)?

9. Do you ever meet with anyone to talk about your plans for further education when you leave this program? Do you ever meet with anyone to talk about your plans for a career when you leave this program? Would you share some examples of hopes for your life when you leave this program?

10. Do you ever have an opportunity to say what you like about your classes and/or this program?

11. What do you like about this program?

12. If you were in charge of this program, would you make any changes? If yes, please explain.
