MCAS MODULE/English Language Arts

SUBJECT: MCAS PREP
LEVEL: 8th/ 9th/ 10th Grade

Grades: 8-12
Subjects: Language Arts

Brief Description: MCAS JEOPARDY!

Play this Jeopardy-like game when completing a MCAS Course, or reviewing for the exam, or anytime.

Objectives

Students will:
- Read for comprehension.
- Work cooperatively to learn and review "ELA Jeopardy" questions and answers
- Compete as teams or individuals in a Jeopardy-like game.

Materials Needed

- Access to a computer and PowerPoint to play MCAS Lesson Plan

In this lesson, student teams will use the online resource MCAS Jeopardy to review prior knowledge and expectations of the MCAS exam. To a large degree, this is a reading comprehension and review activity

Using the game is simple:

- Click the link to one of the games below. (If you do not have PowerPoint on your computer, you will need to download a PowerPoint Viewer.)

- once the game's main screen has loaded, click the text that says, "Click here to begin game."

- choose a category and click on any point-value card to see the answer.

- Click anywhere in the dark blue area that surrounds the game board, and the correct question/response will pop up.

- Click the home icon at the bottom of the page to return to the main game board.

Have fun with this, as students will be hands on and using technology in the classroom... and be creative! It should be a fun day of student success and completion of the course! Celebrate and wish your students superb achievement on the MCAS exam.
