## MEMORANDUM

**To:** Members of the Board of Elementary and Secondary Education  
**From:** Mitchell D. Chester, Ed.D., Commissioner  
**Date:** March 14, 2014  
**Subject:** Charter Schools – Charters Renewed for Conservatory Lab Charter School, River Valley Charter School, Roxbury Preparatory Charter School, Barnstable Community Horace Mann Charter Public School, and KIPP Academy Lynn Charter School

At its meeting in February 2013, the Board of Elementary and Secondary Education (Board) voted to authorize the Commissioner to act on its behalf in “(a) granting charter renewals that do not involve probation; (b) approving charter amendments that do not involve changes in grade span, maximum enrollment, or districts served; and (c) removing or continuing conditions imposed on charters of charter schools; provided that the Commissioner shall report to the Board on all charter renewals, charter amendments, and conditions that have been so approved; and provided further, that the Commissioner shall notify the Board in advance of all such intended actions, and a Board member may request that the Commissioner place the charter matter(s) on the agenda of the Board for discussion and action.”

On February 14, 2014, I notified the Board that I intended to renew, without conditions, the charters of three schools: Conservatory Lab Charter School, River Valley Charter School, and Roxbury Preparatory Charter School. Additionally, I notified the Board that I intended to renew the charters of two schools and impose conditions on the charters of Barnstable Community Horace Mann Charter Public School and KIPP Academy Lynn Charter School. Because no Board member requested that any of these matters be brought to the full Board for review, I am now notifying the Board that I have renewed the charters of these five schools.

Summary information regarding these four schools is provided in this memorandum. Each charter is renewed for the period of July 1, 2014 through June 30, 2019. In the case of charters renewed with conditions, the corrective actions that these schools must take are also included. The charter of each school is renewed for the maximum enrollment, grades served, and district(s) served, as described below, and shall be operated in accordance with the provisions of G.L. c. 71, § 89; 603 CMR 1.00; and all other applicable state and federal laws and regulations and such additional conditions as the Commissioner or the Board may establish, all of which shall be deemed conditions of the charter.
