

**USDA DONATED MEAT, POULTRY & FROZEN WHOLE EGGS
REQUESTED FOR DIRECT DIVERSION-SCHOOL YEAR 2006-2007**

**Return this form to the Department of Education, Nutrition, Health and Safety
350 Main Street Malden, MA 02148-5023
FAX 781-338-3399**

Sponsor Name: _____

Telephone: _____ **Agreement Number:** _____

This form is to be completed only by those school food authorities that want to have donated foods diverted to processor(s) for them during school year 2006. In the space provided below, indicate the percentage of your school year 2006-07 shares that you want diverted to any of the processors listed. You may choose more than one processor, however, the total percentage you divert for each donated food cannot exceed 100 percent.

The processors listed are those that have an agreement this school year. New agreements must be approved by July 1 in order for these companies to participate during school year 2006-07. Only full truckloads may be diverted. Therefore, the volume of requests from school food authorities for each processor will determine the amounts, if any, to be diverted to each processor. If there are not enough requests to make up a full truckload, product will not be diverted and your allocation from the warehouse will not be reduced. If sufficient requests are received and the donated food is diverted, your allocation from the warehouse will be reduced by the percentage you have diverted, each time it is offered.

To estimate how much of each of the donated foods you can expect to receive next year, multiply your program's average daily participation by the pounds per child figure indicated next to each of the donated foods listed. Then, indicate the percentage of this amount that you want to have processed on the line next to the processor(s) you choose.

Please note: The assessment fee charged by the Department of Education for finished processed products will be \$1.39 for school year 2006-2007.

A608 Ground Beef* (approx. 4.31 pounds per child**)

Advance Food, Inc	_____	%
Quik-to-Fix	_____	%
JTM Provisions	_____	%
Maid-Rite	_____	%
Pierre Foods	_____	%
Zartic	_____	%
