Describe how this school plans to implement the program.

a. How do you plan to serve the fruits and vegetables?

☑ What types of fresh fruits and vegetables do you plan to serve? (Processed or preserved fruits and vegetables including dried fruits are not allowed.)
   - Fruits
   - Vegetables

☑ How do you plan to obtain/purchase these?
   - Purchase locally grown fruits and vegetables
   - Prepackaged, pre-prepared individually portioned packages (i.e., produce suppliers)
   - Fruits and vegetables will be prepared by staff or volunteers
   - Pre-prepared trays (i.e., through a grocery store or produce supplier)
   - Other (describe):

☑ How do you plan to serve the fruits and vegetables?
   - Classrooms (trays/baskets)
   - Hallways (kiosks, carts, stands)
   - Cafeteria (outside of meal service hours)
   - Vending Machines (non-charging)
   - Other (describe):

☑ What will the school do to ensure labor costs are kept to a minimum?

b. Do you anticipate purchasing any major equipment to operate the program?

   - What type of equipment and what is the projected cost? (carts, tables, kiosks, etc.),

c. What is the proposed schedule for making fresh fruits and vegetables available to all students?

   - Days (M,T,W, Th, F)
   - Times
   - Grades or groups of students that the program be available at this time/day (i.e., all students, 1st and 2nd grade, etc.)

d. What are your planned start and end dates to operate the program?

e. What partnerships will your school have to support the program? Examples are:

   - Produce sources
     - The Massachusetts Farm to School Program [www.massfarmtoschool.org](http://www.massfarmtoschool.org)
     - Agreements with local farmers to supply fruits and vegetables;
     - Agreements with local grocers to purchase prepared fruits and vegetables
   - Assistance with implementing the program
     - PTA/PTO
     - Student leadership groups
     - Other school or community groups
   - Nutrition education and promotional materials
     - UMass Extension Nutrition Education Program [www.extension.umass.edu/nutrition](http://www.extension.umass.edu/nutrition)
     - Other community health and nutrition education and promotion programs.

f. List at least three nutrition education activities (one-time event or ongoing activities) that will be used to promote acceptance and the consumption and increase in knowledge of fruits and vegetables.
