**Why Report:**

Data on PELL grants is needed by the Massachusetts Department of Elementary and Secondary Education in order to compute postsecondary allocations under the Carl D. Perkins Career and Technical Education Improvement Act of 2006 Public Law 109-270 (Perkins IV).

**Who Must Report:**

Each of the fifteen community colleges, Quincy College, Benjamin Franklin Institute of Technology and the Perkins Postsecondary Consortium shall complete and submit the report if they wish to be computed for an allocation.

**Due Date for the Report:**

December 31, 2009.

**Submitting the Report:**

The Report must be submitted as a paper report with an original signature by regular mail, or by another form of delivery other than email to Jeffrey Wheeler, State Director of Career/Vocational Technical Education, Massachusetts Department of Elementary and Secondary Education, Office for Career/Vocational Technical Education, 75 Pleasant Street, Malden, MA 02148-4096.

**Directions for Completing the Report:**

1. Read the DEFINITIONS SECTION below.
2. Read the RULES SECTION below
3. Complete the LIST OF CAREER AND TECHNICAL EDUCATION PROGRAMS SECTION below using program titles as they appear in the applicable institution catalog. Note that additional lines may be added as needed to include all applicable programs. **DEFINITIONS SECTION:**

***Technical Course:*** A course that provides individuals with occupational safety and health, and/or technical, and/or embedded academic, and/or employability, and/or management & entrepreneurship, and/or technological knowledge and skills required for a specific career or cluster of careers.

***Career and technical education program:*** Refer to Appendix A of the Massachusetts Perkins IV Manual for the definition. The Massachusetts Perkins IV Manual is at [http://www.doe.mass.edu/cte/perkins/funding\\_manual.doc](http://www.doe.mass.edu/cte/perkins/funding_manual.doc).

***Postsecondary CTE Enrollee as it pertains to the PELL Grant Block-Fall Semester 2009:*** This term is used to denote a student who has been formally admitted (matriculated) \* to a specific career and technical education program through institutional or program admission criteria and is enrolled in at least one for-credit course for the fall semester. The definition of a for-credit academic or technical course is "an academic or technical course for institutional or graduation (degree or certificate) credit." (and the student must have been awarded a PELL grant for the fall semester as of 12/15/09)

**NOTE:** Students in Pre-Health and similar programs (known by different titles depending on the institution) which serve to educate students who are not yet matriculated in a career and technical education program per se should be reported if the program in which they are enrolled meets the definition of a career and technical education program contained in *Appendix A (Massachusetts Perkins IV Career and Technical Education*

Program Checklist) of the Massachusetts Perkins IV Manual at [http://www.doe.mass.edu/cte/perkins/funding\\_manual.doc](http://www.doe.mass.edu/cte/perkins/funding_manual.doc).
