## Appendix D: Administrator Model Contract Language

### 1) Purpose of Educator Evaluation

- A) This contract language is locally negotiated and based on M.G.L., c.71, § 38; M.G.L. c.150E; the Educator Evaluation regulations, 603 CMR 35.00 et seq.; and the Model System for Educator Evaluation developed and which may be updated from time to time by the Department of Elementary and Secondary Education. See 603 CMR 35.02 (definition of model system). In the event of a conflict between this collective bargaining agreement and the governing laws and regulations, the laws and regulations will prevail.
- B) The regulatory purposes of evaluation are:
  - i) To promote student learning, growth, and achievement by providing Educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability, 603 CMR 35.01(2)(a);
  - ii) To provide a record of facts and assessments for personnel decisions, 35.01(2)(b);
  - iii) To ensure that every school committee has a system to enhance the professionalism and accountability of teachers and administrators that will enable them to assist all students to perform at high levels, 35.01(3); and
  - iv) To assure effective teaching and administrative leadership, 35.01(3).

### 2) Definitions

- A) **Administrator:** Inclusive term that applies to all Administrators covered by this article, unless otherwise noted. Administrators may include individuals who serve in positions involving teaching and other direct services to students.
- B) **Artifacts of Professional Practice:** Products of an Administrator's work and staff and student work samples that demonstrate the Administrator's knowledge and skills with respect to specific performance standards.
- C) **Categories of Evidence:** Multiple measures of student learning, growth, and achievement, judgments based on observations and artifacts of professional practice, including unannounced observations of practice of any duration; and additional evidence relevant to one or more Standards of Effective Administrative Leadership Practice (603 CMR 35.04).
- D) **District-determined Measures:** Measures of student learning, growth and achievement related to the Massachusetts Curriculum Frameworks, Massachusetts Vocational Technical Education Frameworks, or other relevant frameworks, that are comparable across grade or subject level district-wide. These measures may include, but shall not be limited to: portfolios approved commercial assessments and district-developed pre and post unit and course assessments, and capstone projects.
- E) **Educator Plan:** The growth or improvement actions identified as part of each Educator's evaluation. The type of plan is determined by the Administrator's career stage, overall performance rating, and the rating of impact on student learning, growth and achievement. There shall be four types of Educator Plans:

## Appendix D: Administrator Model Contract Language

---

- i) **Developing Educator Plan** shall mean a plan developed by the New Administrator and the Evaluator for one school year or less.
  - ii) **Self-Directed Growth Plan** shall mean a plan developed by the Administrator for Experienced Administrators who are rated proficient or exemplary.
  - iii) **Directed Growth Plan** shall mean a plan developed by the Administrator and the Evaluator of one school year or less for Experienced Administrators who are rated needs improvement.
  - iv) **Improvement Plan** shall mean a plan developed by the Evaluator of at least 30 calendar days and no more than one school year for Experienced Administrators who are rated unsatisfactory with goals specific to improving the Administrator's unsatisfactory performance. In those cases where an Administrator is rated unsatisfactory near the close of a school year, the plan may include activities during the summer preceding the next school year.
- F) **ESE:** The Massachusetts Department of Elementary and Secondary Education.
- G) **Evaluation:** The ongoing process of defining goals and identifying, gathering, and using information as part of a process to improve professional performance (the "formative evaluation" and "formative assessment") and to assess total job effectiveness and make personnel decisions (the "summative evaluation").
- H) **Evaluator:** Any person designated by a superintendent who has primary or supervisory responsibility for observation and evaluation. The superintendent is responsible for ensuring that all Evaluators have training in the principles of supervision and evaluation. Each Administrator will have one primary Evaluator at any one time responsible for determining performance ratings.
- i) **Primary Evaluator** shall be the person who determines the Administrator's performance ratings and evaluation.
  - ii) **Supervising Evaluator** shall be the person responsible for developing the Educator Plan, supervising the Administrator's progress through formative assessments, evaluating the Administrator's progress toward attaining the Educator Plan goals, and making recommendations about the evaluation ratings to the primary Evaluator at the end of the Educator Plan. The Supervising Evaluator may be the primary Evaluator or his/her designee.
  - iii) **Administrators Assigned to More Than One Building:** The superintendent or designee will determine who the primary evaluator is for each Administrator who is assigned to more than one building.

- K) **Family:** Includes students' parents, legal guardians, foster parents, or primary caregivers.
- L) **Formative Assessment:** The process used to assess progress towards attaining goals set forth in Educator Plans, performance on standards, or both. This process may take place at any time(s) during the cycle of evaluation, but typically takes place at mid-cycle.
- M) **Formative Evaluation:** An evaluation conducted at the end of Year 1 for an Administrator on a 2-year Self-Directed Growth plan which is used to arrive at a rating on progress towards attaining the goals set forth in the Educator Plan, performance on Standards and Indicators of Effective Administrative Leadership Practice, or both.
- N) **Goal:** A specific, actionable, and measurable area of improvement as set forth in an Educator Plan. A goal may pertain to any or all of the following: Administrator practice in relation to Performance Standards, Administrator practice in relation to indicators, or specified improvement in student learning, growth and achievement. Goals may be developed by individual Administrators, by the Evaluator, or by teams, departments, or groups of Administrators who have the same role.
- O) **Measurable:** That which can be classified or estimated in relation to a scale, rubric, or standards.
- P) **Multiple Measures of Student Learning:** Measures must include a combination of classroom, school and district assessments, student growth percentiles on state assessments, if state assessments are available, and student MEPA gain scores. This definition may be revised as required by regulations or agreement of the parties upon issuance of ESE guidance expected by July 2012.
- Q) **New Administrator:** An administrator who has not completed three years in the position in the district.
- R) **Observation:** A data gathering process that includes notes and judgments made during one or more school or worksite visits(s) of any duration by the Evaluator and may include examination of artifacts of practice including student work. An observation may occur in person or through video. Video observations will be done openly and with knowledge of the Administrator. The parties agree to bargain the protocols of video observations should either party wish to adopt such practice. School or worksite observations conducted pursuant to this article must result in feedback to the Administrator. Normal supervisory responsibilities of evaluators will also cause them to drop in on other activities in the school or worksite at various times as deemed necessary by the evaluator. Carrying out these supervisory responsibilities, when they do not result in targeted and constructive feedback to the Administrator, are not observations as defined in this Article.
- S) **Parties:** The parties to this agreement are the local school committee and the employee organization that represents the Administrators covered by this agreement for purposes of collective bargaining ("Employee Organization/Association").
- T) **Performance Rating:** Describes the Administrator's performance on each performance standard and overall. There shall be four performance ratings:

## Appendix D: Administrator Model Contract Language

---

- Exemplary: the Administrator's performance consistently and significantly exceeds the requirements of a standard or overall. The rating of exemplary on a standard indicates that practice significantly exceeds proficient and could serve as a model of practice on that standard district-wide.
  - Proficient: the Administrator's performance fully and consistently meets the requirements of a standard or overall. Proficient practice is understood to be fully satisfactory.
  - Needs Improvement: the Administrator's performance on a standard or overall is below the requirements of a standard or overall, but is not considered to be unsatisfactory at this time. Improvement is necessary and expected.
  - Unsatisfactory: the Administrator's performance on a standard or overall has not significantly improved following a rating of needs improvement, or the Administrator's performance is consistently below the requirements of a standard or overall and is considered inadequate, or both.
- U) **Performance Standards:** Locally developed standards and indicators pursuant to M.G.L. c. 71, § 38 and consistent with, and supplemental to 603 CMR 35.00. The parties may agree to limit standards and indicators to those set forth in 603 CMR 35.04.
- V) **Professional Teacher Status:** PTS is the status granted to an Educator pursuant to M.G.L. c. 71, § 41.
- W) **Rating of Administrator Impact on Student Learning:** A rating of high, moderate or low based on trends and patterns on state assessments and district-determined measures. The parties will negotiate the process for using state and district-determined measures to arrive at an Administrator's rating of impact on student learning, growth and achievement, using guidance and model contract language from ESE, expected by May 2013.
- X) **Rating of Overall Administrator Performance:** The Administrator's overall performance rating is based on the Evaluator's professional judgment and examination of evidence of the Administrator's performance against the four Performance Standards and the Administrator's attainment of goals set forth in the Educator Plan, as follows:
- i) **Standard 1:** Instructional Leadership
  - ii) **Standard 2:** Management and Operations
  - iii) **Standard 3:** Family and Community Engagement
  - iv) **Standard 4:** Professional Culture
  - v) **Attainment of Professional Practice Goal(s)**
  - vi) **Attainment of Student Learning Goal(s).**

When the four Standards of Effective Administrative Leadership Practice are referenced, it is understood that they may be supplemented or substituted in part in the Educator Plan by appropriate Standards of Effective Teaching Practice for those administrators who also serve as teachers or caseload educators, at the discretion of the evaluator.

- Y) **Rubric:** A scoring tool that describes characteristics of practice or artifacts at different levels of performance. The rubrics for Standards and Indicators of Effective Administrative Leadership Practice are used to rate Administrators on Performance Standards, as are Standards and Indicators of Effective Teaching Practice in cases where the Administrator teaches. These rubrics consist of:
- i) **Standards:** Describes broad categories of professional practice, including those required in 603 CMR 35.04, and, where appropriate 35.03

The districts may use either the rubrics provided by ESE or comparably rigorous and comprehensive rubrics developed or adopted by the district and reviewed by ESE.

### 5) **Evaluation Cycle: Training**

- A) Prior to the implementation of the new evaluation process contained in this article, districts shall arrange training for all Educators, principals, and other Administrators and evaluators that outlines the components of the new evaluation process and provides an explanation of the evaluation cycle. The district through the superintendent shall determine the type and quality of training based on guidance provided by ESE.
- B) By November 1<sup>st</sup> of the first year of this agreement, all Administrators shall complete a professional learning activity about self-assessment and goal-setting satisfactory to the superintendent. Any Administrator hired after the November 1<sup>st</sup> date, and who has not previously completed such an activity, shall complete such a professional learning activity about self-assessment and goal-setting within three months of the date of hire. The district through the superintendent shall determine the type and quality of the learning activity based on guidance provided by ESE.

### 6) **Evaluation Cycle: Annual Orientation**

## Appendix D: Administrator Model Contract Language

---

- (a) An analysis of evidence of student learning, growth and achievement for students under the Administrator's responsibility.
  - (b) An assessment of practice against each of the four Performance Standards of Effective Leadership practice and any relevant Standards of Effective Teaching Practice, using the district's rubric(s).

Administrators, by the Evaluator, or by teams of Administrators who have the similar roles and/or responsibilities. See Sections 15-19 for more on Educator Plans.

- B) To determine the goals to be included in the Educator Plan, the Evaluator reviews the goals the Administrator has proposed in the Self-Assessment, using evidence of Administrator performance and impact on student learning, growth and achievement based on the Administrator's self-assessment and other sources that Evaluator shares with the Administrator. The process for determining the Administrator's impact on student learning, growth and achievement will be determined after ESE issues guidance on this matter. See #22, below.
  - C) Educator Plan Development Meetings shall be conducted as follows:
    - i) Administrators meet with the Evaluator at the end of the previous evaluation cycle or by September 15th of the next academic year to develop their Educator Plan. Administrators working on an extended year schedule may meet during the summer hiatus.

In addition, the goals may address shared team goals.
  - D) The Evaluator completes the Educator Plan by October 1st. The Administrator shall sign the Educator Plan within 5 school days of its receipt and may include a written response. The Administrator's signature indicates that the Administrator received the plan in a timely fashion. The signature does not indicate agreement or disagreement with its contents. The Evaluator retains final authority over the content of the Educator Plan.

- A) The Administrator whose overall rating is proficient or exemplary must have at least one unannounced observation during the evaluation cycle.
  - B) The Administrator whose overall rating is needs improvement must be observed according to the Directed Growth Plan during the period of Plan which must include at least two unannounced observations.
  - C) The Administrator whose overall rating is unsatisfactory must be observed according to the Improvement Plan which must include both unannounced and announced

## Appendix D: Administrator Model Contract Language

---

observation. The number and frequency of the observations shall be determined by the Evaluator, but in no case, for improvement plans of one year, shall there be fewer than one announced and four unannounced observations. For Improvement Plans of six months or fewer, there must be no fewer than one announced and two unannounced observations.

### 11) Observations

The Evaluator's first observation of the Administrator should take place by November 15. Observations required by the Educator Plan should be completed by June 1<sup>st</sup>, or as required by the Plan. The Evaluator may conduct additional observations after this date.

The Evaluator is not required nor expected to review all the indicators in a rubric during an observation.

#### A) Unannounced Observations

- i) Unannounced observations may be in the form of a school site or work site visitation or any other means deemed useful by the Evaluator. Visitations may include, but are not limited to: staff meetings, team meetings, classroom visits with supervising evaluator, walkabouts within the school or department, or individual conferences with students or parents.
- ii) The Administrator will be provided with at least brief written feedback from the Evaluator within 3-5 school days of the observation. The written feedback shall be delivered to the Administrator in person, by email, placed in the Administrator's mailbox or mailed to the Administrator's home.
- iii) Any observation or series of observations resulting in one or more standards judged to be unsatisfactory or needs improvement for the first time must be followed by at least one observation of a similar administrative activity within 30 school days.

#### B) Announced Observations

- i) All Experienced Administrators on Improvement Plans and other Administrators at the discretion of the evaluator shall have at least one Announced Observation.
  - (a) The Evaluator shall select the date and time of the activity to be observed and discuss with the Administrator any specific goal(s) for the observation.
  - (b) Within 5 school days of the scheduled observation, upon request of either the Evaluator or Administrator, the Evaluator and Administrator shall meet for a pre-observation conference. In lieu of a meeting, the Administrator may inform the Evaluator in writing of the nature of the activity, the purpose served, the desired outcome, and any other information that will assist the Evaluator to assess performance
    - (1st) The Administrator shall provide the Evaluator a draft of the activity plan or agenda. If the actual plan or agenda is different,

## Appendix D: Administrator Model Contract Language

---

the Administrator will provide the Evaluator with a copy prior to the observation.

(2nd) The Administrator will be notified as soon as possible if the Evaluator will not be able to attend the scheduled observation. The observation will be rescheduled with the Administrator as soon as reasonably practical.

(c) Within 5 school days of the observation, the Evaluator and Administrator shall meet for a post-observation conference. This timeframe may be extended due to unavailability on the part of either the Evaluator or the Administrator, but shall be rescheduled within 24 hours if possible.

(d) The Evaluator shall provide the Administrator with written feedback within 5 school days of the post-observation conference. For any standard where the Administrator's practice was found to be unsatisfactory or needs improvement, the feedback must:

(1st) Describe the basis for the Evaluator's judgment.

(2nd) Describe actions the Administrator should take to improve his/her performance.

(3rd) Identify support and/or resources the Administrator may use in his/her improvement.

(4th) State that the Administrator is responsible for addressing the need for improvement.

### 12) **Evaluation Cycle: Formative Assessment**

A) A specific purpose for evaluation is to promote student learning, growth and achievement by providing Administrators with feedback for improvement. Evaluators are expected to make frequent unannounced visits to classrooms and administrative worksites. Evaluators are expected to give targeted constructive feedback to Administrators based on their observations of practice, examination of artifacts, and analysis of multiple measures of student learning, growth and achievement in relation to the Standards and Indicators of Effective Administrative Leadership Practice.

B) Formative Assessment may be ongoing throughout the evaluation cycle but typically takes place mid-cycle when a Formative Assessment report is completed. For an Administrator on a two-year Self-Directed Growth Plan, the mid-cycle Formative Assessment report is replaced by the Formative Evaluation report at the end of year one. See section 13, below.

C) The Formative Assessment report provides written feedback and ratings to the Administrator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on Performance Standards and overall, or both

D) No less than two weeks before the due date for the Formative Assessment report, which due date shall be established by the Evaluator with written notice to the Administrator, the Administrator shall provide to the Evaluator evidence of family outreach and engagement,

## Appendix D: Administrator Model Contract Language

---

fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The Administrator may provide to the evaluator additional evidence of the Administrator's performances against the four Performance Standards.

- E) Upon the request of either the Evaluator or the Administrator, the Evaluator and the Administrator will meet either before or after completion of the Formative Assessment Report.
  - F) The Evaluator shall complete the Formative Assessment report and provide a copy to the Administrator. All Formative Assessment reports must be signed by the Evaluator and delivered face-to-face, by email or to the Administrator's school mailbox or home.
  - G) The Administrator may reply in writing to the Formative Assessment report within 5 school days of receiving the report.
  - H) The Administrator shall sign the Formative Assessment report within 5 school days of receiving the report. The signature indicates that the Administrator received the Formative Assessment report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.
  - I) As a result of the Formative Assessment Report, the Evaluator may change the activities in the Educator Plan.
  - J) If the rating in the Formative Assessment report differs from the last summative rating the Administrator received, the Evaluator may place the Administrator on a different Educator Plan, appropriate to the new rating.
- 13) **Evaluation Cycle: Formative Evaluation for Two Year Self-Directed Plans Only**
- A) Administrators on two year Self-Directed Growth Educator Plans receive a Formative Evaluation report near the end of the first year of the two year cycle. The Administrator's performance rating for that year shall be assumed to be the same as the previous summative rating unless evidence demonstrates a significant change in performance in which case the rating on the performance standards may change, and the Evaluator may place the Administrator on a different Educator plan, appropriate to the new rating.
  - B) The Formative Evaluation report provides written feedback and ratings to the Administrator about his/her progress towards attaining the goals set forth in the Educator Plan, performance on each performance standard and overall, or both.
  - C) No less than two weeks before the due date for the Formative Evaluation report, which due date shall be established by the Evaluator with written notice provided to the Educator, the Administrator shall provide to the Evaluator evidence of family outreach and engagement, fulfillment of professional responsibility and growth, and progress on attaining professional practice and student learning goals. The Administrator may also provide to the evaluator additional evidence of the Administrator's performance against the four Performance Standards.

## Appendix D: Administrator Model Contract Language

---

- D) The Evaluator shall complete the Formative Evaluation report and provide a copy to the Administrator. All Formative Evaluation reports must be signed by the Evaluator and delivered face-to-face, by email or to the Administrator's school mailbox or home.
- E) Upon the request of either the Evaluator or the Administrator, the Evaluator and the Administrator will meet either before or after completion of the Formative Evaluation Report.
- F) The Administrator may reply in writing to the Formative Evaluation report within 5 school days of receiving the report.
- G) The Administrator shall sign the Formative Evaluation report by within 5 school days of receiving the report. The signature indicates that the Administrator received the Formative Evaluation report in a timely fashion. The signature does not indicate agreement or disagreement with its contents.
- H) As a result of the Formative Evaluation report, the Evaluator may change the activities in the Educator Plan.
- I) If the rating in the Formative Evaluation report differs from the last summative rating the Administrator received, the Evaluator may place the Administrator on a different Educator Plan, appropriate to the new rating.

### 14) **Evaluation Cycle: Summative Evaluation**

- A) The evaluation cycle concludes with a summative evaluation report which must be written and provided to the Administrator by June 1st.
- B) The Evaluator determines a rating on each standard and an overall rating based on the Evaluator's professional judgment, an examination of evidence against the Performance Standards and evidence of the attainment of the Educator Plan goals.
- C) The professional judgment of the primary evaluator shall determine the overall summative rating that the Administrator receives.
- D) For an Administrator whose overall performance rating is exemplary or proficient and whose impact on student learning is low, the evaluator's supervisor shall discuss and review the rating with the evaluator and the supervisor shall confirm or revise the Administrator's rating.
