CAP Student Feedback Survey: ITEM KEY

Grades 6-12: Standard Form

This item key is **not** intended for distribution to students. The following table provides a crosswalk between survey items and the [Standards and Indicators of Effective Teaching Practice](#) addressed throughout the survey. You may sort the items by Standard/Indicator by selecting the table and finding the Sort function in the Table Layout tab.

- Substitute Items.** Sixteen substitute items are available as alternatives to thirteen existing items. Substitute items address the same construct as the original item and may be used in direct replacement (the order of the items should remain the same). Districts may select up to four substitute items while still preserving the reliability and validity of the survey. Substitute items may also be ADDED to the 56-item survey (without substitution) but do not add more than 4 items in total.
- Additional Items.** Additional items are also available to supplement the 56-item survey. Up to four additional items may be selected in total. Please see a list of additional items on page 5.
