World-Class Instructional Design and Assessment
and the Massachusetts Department of Elementary and Secondary Education Present:

WIDA 101
Meeting ELLs' Needs through ELD Standards, Differentiation and Formative Assessment

GREAT 3 DAY WORKSHOP
8:30 AM—3:30 PM

WHEN:
April 30, 2014 - May 2, 2014

WHAT:
This workshop helps participants become familiar with Second Language Acquisition and World-Class Instructional Design and Assessment. WIDA 101 provides participants with opportunities throughout the workshop to reflect on how to incorporate WIDA tools in the classroom. The workshop introduces participants to WIDA’s Standards Framework, Differentiation and the Formative Language Assessment Process. Participants learn about the Features of Academic Language at the Word/Phrase, Sentence and Discourse level. Also included is an introduction to WIDA Performance Definitions for Listening, Reading, Writing and Speaking Grades K-12, and how to use these skills to differentiate for English Language Learners.
