Understanding the Standards-Based Commentary

1. Grade-specific standards addressed are:

   • Marked by a colored block with a letter code, also in the column to the right of student work

   EXAMPLE: (begin) A (end)

2. Colored arrow blocks beneath each standard in the right column:
   • Are of the same color and letter code as the block that marks the standard being addressed
   • Mark standards-based commentary related to the standard being addressed
   • Appear in alphabetical order
