Name of Grant Program: Quality Enhancements in After-School and Out-of-School Time (ASOST-Q) – Continuation (FY16)  
Fund Code: 530

PART III-B – REQUIRED PROGRAM INFORMATION – Quality Enhancements

CATEGORY B – Regional or Statewide PD GRANTEES

(To be completed by the following eligible applicants: BOSTNet, Imajine That, Salem State University)

This application for continuation grant funds includes end-of-year program reporting for current fiscal year 2014-2015 (FY15) grant activities, as well as proposed activities for FY16. Proposed activities for FY16 should be informed by lessons learned and needs identified by your participants as well as by ASOST-Q, Category A grantees through their continuation applications (the Category A continuation applications are due August 4th – information provided about PD/TA needs will be shared by mid- to late-August).

Continuation grant funds must continue to be used to support OST programs, particularly those receiving ASOST-Q Category A (quality enhancements) as they work to improve the quality of their programming.

Reminders:
- Providers, where possible and applicable, should align their offerings to the Department of Elementary and Secondary Education (Department’s) Standards for High Quality Professional Development. If sessions that do not meet the definition are being offered, include a brief rational in question 5 below.
- Information about all offerings (description, dates, registration process) should be forwarded to the Department once finalized for dissemination.

DUE DATE: September 15, 2015 (using the online link provided below)

Online Submission:
In order to facilitate the compilation of data related to the ASOST-Q grant, the information required for your FY16 grant application must be submitted online. This includes information about FY15 implementation (09/01/2014-08/31/2015) and plans for FY16 (09/01/2015-08/31/2016). This document is meant to be used a template for drafting responses.

The requested information must be submitted online using the following link:  
Online Submission Template

Directions: Below is a copy of the online questions for your planning purposes only. Please enter the responses via the following link: http://www.surveygizmo.com/s3/2101890/Category-B-ASOST-FY15-End-of-Year-FY16-Continuation.

When submitting, you will be able to save your responses and continue later by clicking on the “save and continue” bar at the top of the online survey (appearing after the first page). You will be prompted to enter an email address, and a unique link will be sent to that email, that will allow you to return to your survey where you left off. You will also receive a PDF copy of your responses upon submission.

1. Organization (select from the dropdown on the online form)
2. Name of person completing this report
3. Email Address: (a copy of your submitted report will be sent to this address)
4. (FY15 Reporting) Quality Enhancement Areas: In which of the following areas were PD, TA or networking provided using grant funds? (Check all that apply.)
   - Comprehensive Academic/Non-Academic Programming
   - Partnerships
   - Serving Special Populations
   - Family Involvement
   - Highly Qualified Staff

5. FY16 Summary and Rationale for Proposed Offerings: Please provide the following information about each of the PD, T/TA and Networking sessions offered during FY15 since your mid-year report submission. Include training series as one entry. If you need additional rows, please complete another survey and complete only the organization, name and email before adding the rest of your trainings.
