PART III – REQUIRED PROGRAM INFORMATION

Narrative responses for the following two questions may not exceed five (5) pages.

1. Summarize your PD Center’s significant successes, challenges, and lessons learned in FY15. Explain how these inform your planning for FY16.

2. Describe your plan for apportioning FY16 funds to develop or revise PD offerings and deliver PD offerings and support. As part of your response, explain how you will:

(a) use a variety of PD delivery methods including face-to-face (i.e., program-based, regional, statewide), online or blended, coaching, and follow-up, to reach practitioners at all levels; and

(b) ensure that PD services are made available evenly throughout the state.

3. If applicable, describe how your PD Center will support programs in the implementation of WIOA in such areas as preparing students for post-secondary education, jobs, and training; aligning instruction with the CCR Standards; integration of education and training (e.g., contextualized curriculum for industry-specific sectors); and Math for ESOL students.
