PART III – PROGRAM INFORMATION AND NARRATIVE

FY14 Metco Grant Narrative

Participating districts must provide a detailed line item budget specifying how the grant money will be allocated and expended. Additionally, in the space provided below, districts are asked to provide a narrative summary of each budget line item of the Part II-B Project Expenditure detail.

The narrative should be no more than two pages and/or 1,500 words.

The narrative should describe how funds will be utilized to support the grant priorities:

- curriculum and instruction;
- staffing;
- services and partnerships to support grant initiative; and
- transportation
