Name of Grant Program: Adult Career Pathways  
Fund Code: 541

PART III – REQUIRED PROGRAM INFORMATION

Community Adult Learning Center grantees receiving funds for Adult Career Pathways must describe services that address one or more of the priorities identified by the local workforce development partner in the Priorities section of the Continuation Application.

Responses to the following questions must be submitted to the workforce development partner and the ACLS Program Specialist:

1. Provide a rationale for any changes proposed in the FY2014 program design.
2. Describe how the services will assist the target population’s ability to access further education and training, or employment with career pathway growth potential.
3. Describe how contextualized curriculum is being developed and describe the instructional strategies and materials used. Submit a sample (not to exceed three pages) of the curriculum as (excluding lesson plans) part of your response to this question.
4. Describe how the adult career pathways program collaborates with the workforce development partner and One-Stop Career Center. Explain how progress will be made in the area of collaborations in FY2014.
5. Describe how technology, including distance learning, is utilized in the services.
6. Describe the process and information you are using to evaluate the effectiveness of the Adult Career Pathways grant.

Notes:

- Grantees who received Fund Code 541 funds to support CALC services in FY2013 should describe the CALC services these funds will support in FY14.

- A brief “Lessons Learned” report will be required in April 2014. Future adult career pathways initiatives will be informed by these reports.
