

EPIMS to EPIMS Comparison: Teacher Assignments by Program Area

Report This report provides a comparison of the current EPIMS collection to the prior EPIMS collection.
 Description: The report summarizes, for this year and last year, the full-time equivalent (FTE) for each job classification (WA07) and in some cases, such as the paraprofessional category, the assignment code (WA08). The teacher information is also grouped by program area.

Job Classifications by Program Area -- The following Teaching Assignments are mapped to the program areas and are listed below.
