GUIDELINES FOR REPORTING - SCHOOL ATTENDING CHILDREN

1. This report is required from each city and town under the provisions of Chapter 72, Section 2A of the General Laws.
2. All information should be as of January 1, 2012.
3. If a report is not filed for a city or town, under the provisions of Section 5 of Chapter 70 the Commissioner will determine the number of school attending children; in no case will this number be greater than that reported for 2009.
4. This report should include only students whose parents or legal guardians were residents of the city or town on JANUARY 1, 2012.
5. Do not include state wards.
6. Do not include students from another city or town, even if they are enrolled in your school system.
7. METCO students should be reported only by their city of residence, not the city or town where they attend school.
8. Include only full-time students; do not include students attending part time or evening classes.
9. Be sure to include all students whose parents or guardians were residents, even those attending school out of town.

10. DEFINITIONS:

GRADE - Include only students in the grades listed on the form. Do not include nursery school students, postgraduates, or students in grades 13 and 14. Kindergarten is defined as the class for the year immediately preceding the first grade.

LOCAL PUBLIC SCHOOLS - Include in column 1 students enrolled in the public schools administered by the city or town school committee. Do not include any students who attend regional schools. If your town does not operate any schools, leave column 1 blank.

ACADEMIC REGIONAL SCHOOLS - If your town is a member of any regional school district, except a vocational-technical district, include in column 2 all students who are enrolled in the regional school. Do not include students attending a vocational-technical regional school; they should be reported in column 3. If your town is not a member of an academic regional school district, leave column 2 blank.

VOCATIONAL-TECHNICAL REGIONAL SCHOOLS - If your town is a member of a vocational-technical regional school district, include in column 3 students who are enrolled in the regional school. If your town is not a member of a vocational-technical regional school district, leave column 3 blank.

COLLABORATIVES - Include in column 4 students enrolled in educational collaboratives as defined in CH. 40, Sec. 4E.

CHARTER SCHOOLS – Include in column 5 all students enrolled in a Massachusetts Charter School.

OUT OF DISTRICT PUBLIC SCHOOLS - Include in column 6 students enrolled in regional schools of which the town is not a member, students enrolled in county agricultural schools, state institutional schools, and any other school supported by public funds which were not included in columns 1 through 5. Also include School Choice students in this column.

HOME SCHOOLED – Include in column 7 all students whom are Home Schooled.

IN STATE PRIVATE AND PAROCHIAL SCHOOLS - Include in column 8 students who are enrolled in private or parochial schools anywhere in Massachusetts.

OUT OF STATE PRIVATE AND PAROCHIAL SCHOOLS - Include in column 9 students who are enrolled in private or parochial schools anywhere outside of Massachusetts, including those in foreign countries.
