GENERAL QUESTIONS & ANSWERS

I. FEES

Q. What is the cost to apply for a license?

- A. First time applicants must pay a \$100 fee for the first academic or vocational license area/level applied for. Any additional license areas/levels will cost \$25 each.

Example 1: Applying for first time license in Electronics (9-14) preliminary and General Science (8-12) = \$100 + \$25 = \$125.

Example 2: Applying to add an additional license in Electronics (9-14) professional, and General Science (8-12) = \$25 + \$25 = \$50.

Q. Will my fee be refunded if I do not yet qualify for the license?

- A. No. The fee is non-refundable and non-transferable once the evaluation service has been provided. If you do not qualify, you will receive a detailed evaluation letter from the Department that outlines any remaining requirements, and how they can be satisfied. Upon completion of these requirements, simply mail in the necessary documentation, labeled with your social security number, and the application will be re-evaluated. You will not need to pay another application fee to have an existing application re-evaluated. The application will remain on file until all requirements have been satisfied.

Q. May I pay the fee with cash or personal check?

- A. No. A certified check, money order, or credit card payment are the options available. We accept MasterCard and VISA.

**If paying by credit card, complete the additional charge card authorization form on page 13.*

IV. GENERAL INFORMATION

Q. Can I apply for a license if I haven't completed all of the requirements yet?

A. Yes. Candidates are encouraged to submit licensure applications as soon as they know that they would like to obtain a particular license. If you have not completely satisfied all requirements at the time of the evaluation, you will receive a detailed correspondence from the Department that outlines any remaining requirements, and how they can be satisfied.

Q. How long will it take for the Department to process my application?

A. It is not possible to say exactly how long it will take. The answer depends on several factors, such as the type of license, the volume of applications being processed at the time, and whether the application was filled out correctly and completely. You may check the status of your application online by visiting www.doe.mass.edu/licensure/ and logging into your ELAR account.

Q. How can I ensure my application will be processed as quickly as possible?

A. Visit www.doe.mass.edu/licensure/ and click on ELAR to apply online. Applying and paying online does expedite processing. Make sure you have mailed all college transcripts and other required documentation to the Vocational Technical Licensure Office to be added to your file, and be sure to write your Social Security Number or Massachusetts Educators License Number on each document you submit. Based on the large volume of documents received by the Licensure Office daily, it is usually a good idea to submit all supporting documentation (transcripts, letters, other licenses, etc.) all together in one packet rather than separately.

Q. Is there a number I can call if I have any questions about the vocational technical application process?

A. Yes. You can call 781.338.6614 to speak to a Vocational Technical Licensure representative, Monday through Friday – 8:45 a.m. to 5:00 p.m.

* Fees are subject to change.

The Massachusetts Department of Elementary and Secondary Education has been certified by the Criminal History Systems Board for access to conviction and pending criminal case data for the purpose of screening prospective and current holders of educator licenses awarded by the Department of Elementary and Secondary Education and for access to CORI conviction data in the context of proceedings relative to the decertification process. A criminal record check may be conducted for criminal and pending or criminal case information only, as authorized, and it will not necessarily disqualify me.

State law requires applicants for licensure to affirm certain information. Please check all of the statements below that apply. If you do not check each statement, please enclose a letter of explanation. We will then contact you and will determine your eligibility for licensure.

I certify that:

- I have never appeared in any federal or state court in the Commonwealth of Massachusetts or any other commonwealth, state, district, territory or country as a defendant for any criminal offense. (You must leave this blank and provide an explanation regardless of the outcome of the case if you appeared as a defendant. Generally speaking, any process before a court where you are required to enter a plea or where you could be placed on probation prior to entering a plea is considered an appearance as a defendant. Failure to disclose criminal court appearances will be grounds for license denial or revocation.)
- I have not been identified by any child protection agency as a perpetrator of child abuse or neglect.
- I have not been dismissed for cause from any position I held.
- I have not been asked to resign from any position or resigned from any position while under investigation or as a result of discipline.
- I have not had a professional license or certificate denied, revoked, suspended, surrendered or annulled, and no action is pending to revoke or suspend any professional license or certificate I hold.
- In accordance with MA General Laws Chapter 62C, §49A, I have filed all state tax returns and paid all Massachusetts taxes required by law, and I am in compliance with all Massachusetts laws relating to payment of child support. Note: If you have not resided or earned income in Massachusetts, in most cases, you do not owe any Massachusetts income tax and can answer the above question in the affirmative. If you are unsure about the correct answer, please consult a tax professional before you leave this question blank.
- I have read General Laws Chapter 119, §51A, which requires educators and others who are paid to care for or work with children, to make a report immediately to the Department of Social Services or to the person in charge of the school or institution if there is reasonable cause to believe a child under 18 is suffering physical or emotional injury as a result of abuse, including sexual abuse, or neglect. I understand my obligations under §51A and the penalties for failure to comply. (See page 4 of Application Packet).
- I understand and acknowledge that as a condition of holding an educator license, a criminal background check may be conducted for criminal and pending case information as authorized by the Criminal History Systems Board and that a criminal record will not automatically disqualify me.
- This application contains no misrepresentations or falsehoods. I understand the misrepresentations or falsehoods may be cause for denial or revocation of my educator license.
- I understand that I must notify the Commissioner of the Massachusetts Department of Elementary and Secondary Education in writing within ten days if, in the future, the answers to any of these questions change.
