

WRITING PROMPT

Often in works of literature, a character takes part in a great battle, either literally or figuratively.

From a work of literature you have read in or out of school, select a character who takes part in either a literal or a figurative battle. In a well-developed composition, identify the character, describe the battle the character takes part in and what happens as a result, and explain how the character's experience is important to the work as a whole.
