

Marissa made the circle graph below to show how she spends her exercise time each week.

Marissa's Exercise Time Each Week

- What percent of her exercise time does Marissa spend playing basketball? Show or explain how you got your answer.
- Marissa spent a total of 240 minutes exercising last week. How many minutes did she spend **walking**? Show or explain how you got your answer.
- Marissa will spend a total of 180 minutes exercising this week. Based on the graph, how many fewer minutes will she spend walking this week than she did last week? Show or explain how you got your answer.
