Commissioner's Foreword

Fall 2011

Dear Colleagues:

I am pleased to provide an updated list of bilingual dictionaries and glossaries authorized for use by English language learners (ELLs) on MCAS tests. Our list has expanded to include word-to-word dictionaries and glossaries in the content areas. The Department will continue to add new resources as they become available. I hope that your ELL students find these bilingual dictionaries and glossaries useful.

ELL students who are reported as limited English proficient (LEP), or have been reported as LEP in the past, may have access to an authorized bilingual dictionary or bilingual glossary for MCAS tests. Authorized bilingual dictionaries are limited to those that provide *word-to-word* (or *word-to-words*) translations, but no definitions. Students may **not** use electronic translation devices on MCAS tests.

While the Department would like to include a word-to-word dictionary for *every* language spoken in Massachusetts public schools, there are languages for which no allowable word-to-word dictionary is available. Also, there are languages that have only oral, and no written forms. I welcome your suggestions for additional entries and deletions to help us maintain an accurate, comprehensive, and current list. Please communicate this information via email to mcas@doe.mass.edu or by phone to 781-338-3625.

If you are planning to order one or more of these dictionaries, I encourage you to order early so that your students can benefit from having access to them throughout the school year.

Sincerely,

Mitchell D. Chester, Ed.D.
Commissioner of Elementary and Secondary Education

List of Authorized Bilingual Word-to-Word Dictionaries

The Massachusetts Department of Elementary and Secondary Education authorizes the following bilingual dictionaries and glossaries for use on MCAS tests by ELL students who are reported as limited English proficient (LEP) or have been reported as LEP in the past. The bilingual dictionaries and glossaries listed in this publication are limited to those that provide word-to-word translations only. Electronic translation devices are not allowed for MCAS tests. A list of publishers and distributors appears at the end of this document.

Please note that the use of dictionaries of any kind is prohibited on the Massachusetts English Proficiency Assessment (MEPA).
