## Commissioner's Foreword

Fall 2009

Dear Colleagues:

I am pleased to provide an updated list of bilingual dictionaries authorized for use on MCAS tests by English language learners. Several additional languages have been added to the list this year, and for the first time, we have included lists of word-to-word translations in the content areas.

Any current or former limited English proficient student may have access to an authorized bilingual dictionary for MCAS tests. Authorized bilingual dictionaries are limited to those that provide *word-to-word* (or *word-to-words*) translations, but no definitions. Students may not use electronic translation devices on MCAS tests.

While the Department would like to include a word-to-word dictionary for *every* language spoken in Massachusetts public schools, there are languages for which no allowable word-to-word dictionary is available. Also, there are languages that have only oral, and no written forms. I welcome your suggestions for additional entries and deletions to help us maintain an accurate, comprehensive, and current list. Please communicate this information via email to [mcas@doe.mass.edu](mailto:mcas@doe.mass.edu) or by phone to 781-338-3625.

I hope that the use of word-to-word dictionaries will help your English language learners expand their vocabularies and improve their academic achievement.

Sincerely,

Mitchell D. Chester, Ed.D.  
Commissioner of Elementary and Secondary Education
