Administering English Language Arts Test
Session 1
Administering English Language Arts Test Session 1

A Materials Needed for Session 1

1. You will need the following materials available in your testing space prior to testing:
   - “Do Not Disturb” sign
   - testing devices for students
   - a computer for managing the test session
   - printed copies of authorized bilingual word-to-word dictionaries for current and former EL students

2. Prior to testing, you will receive the following materials for students assigned to you:
   - this manual
   - student testing tickets
   - scratch paper (blank, lined, or graph) to distribute to students
   - pens or pencils for use on scratch paper
   - optional, grades 6 and above: Student Responsibilities during MCAS Testing forms
     If your principal has instructed you, have the students read the statement, sign the document, and return it to you.
   - proctor testing tickets, if administering the Human Read-Aloud or Human Signer accommodation
   - a form to assist you and your principal in tracking secure materials

Note: English-language dictionaries are not allowed during MCAS testing.

Additional Preparations for Computer-Based Testing

- Ensure all devices to be used for testing are charged prior to each test session.
- Make sure sufficient power cords and power strips are available.
- Confirm that accessories, such as external keyboards for tablets and headphones for students using the text-to-speech edition, are available and in working order prior to testing.
- Be sure that all students’ testing devices have TestNav installed and configured.

B Before Students Arrive

1. Note: The Department recommends that this step be completed the day before testing.

   On the test administrator device, log into PearsonAccessnext (mcas.pearsonaccessnext.com) and select either Spring 2019 MCAS Gr. 3–8 or Spring 2019 Gr. 10 ELA and Math as appropriate from the Administration dropdown at the top of the screen. Go to Testing > Students in Sessions and select your session from the Session List. If your session does not appear in the Session List, select Add Session, start typing the session name, select the session when you see it, and click Add Selected.

   You should review your roster which is found under the Resources dropdown and be prepared to administer any special forms (e.g., screen reader, text-to-speech) assigned to students.

   Verify that correct accommodated forms such as text-to-speech (TTS), screen reader (SR), and assistive technology (AT) are assigned to students, if applicable.
Administering English Language Arts Test Session 1

If a student’s accommodations do not match the form assigned to a student (e.g., a student should be tested using text-to-speech, but the TTS form is not indicated), you can still update the students’ accommodations. See Appendix C for the steps to do so.

2. Make sure the testing space has been appropriately prepared (see page 26).
3. Post the “Do Not Disturb” sign on the outside of the door of the testing space.
4. If your principal or test coordinator has not yet started your PAN Session, follow these steps to do so.
   • Log into PearsonAccess next and select either Spring 2019 MCAS Gr. 3–8 or Spring 2019 Gr. 10 ELA and Math as appropriate.
   • Go to the Testing tab and click Students in Sessions. Select the Session Name from the Session List (see instructions in step 1 above if your PAN Session is not listed). The Session Details screen will appear. (If multiple PAN Sessions are selected, the option to Combine View and Start All Sessions will appear.)
   • Click on the green Start Session button (or Start All Sessions button) on the Session Details screen. You will then see that the Start Session button will change to read Stop Session.

5. Click on the lock button for ELA Session 1 and slide it to unlock the session as shown below.
Administering English Language Arts Test Session 1

C As Students Arrive

1. Collect books from students who brought them to read in the event they finish their work before the end of the test session.

2. Approve any bilingual dictionaries brought by current and former EL students to use during the test session according to the guidelines in Appendix F. **All other dictionaries are prohibited during this session.**

3. Make sure that students do not have access to cell phones or other prohibited electronic devices during testing. These devices are prohibited, and their use for any purpose will result in the invalidation of test results.

4. If students will be using tablets or laptops, distribute student testing devices and chargers.

5. Instruct students to open the TestNav application (this may be done by the test administrator or technology staff, and is recommended particularly for younger students).

   If there are testing devices that do not have TestNav installed or if students’ devices are not working properly, contact your school’s technology staff for assistance before moving on to begin testing with these students.

   Students will need to choose the testing location the first time that students use TestNav for English Language Arts. Instruct them to choose Massachusetts. If this is done correctly, students will then see Massachusetts above the “Sign In” area. If something else appears on the screen, instruct students to click the button on the top right corner of the screen; then select Choose a Different Customer; and then select Massachusetts.

   If students are using iPads, TestNav may prompt the students to allow access to the device’s microphone. Instruct the students to click OK even though they will not be using the microphone during testing.

6. Say to the students:

   “Before we begin testing, you need to know that cell phones, music players, e-book readers, or other electronic devices are not allowed for any reason during this session, even after you turn in your materials. Results will be invalidated for students with any of these devices during testing or after submitting their tests.”

7. If your principal has instructed you to do so, read the following recommended script:

   “Remember you were given instructions recently at a student meeting about appropriate activities you can do when you finish testing and those you will not be allowed to do. Raise your hand if you have any questions about appropriate things you can do during this session when you finish testing.”

Answer any questions students have. Then say:

   “If you have an electronic device with you, please make sure it is now turned off, put it in your backpack, and leave it by the side of the room. You will be able to access it again when I give you permission to do so.”

Pause to make sure that students have turned cell phones and other prohibited electronic devices off and have placed them in their backpacks.

If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other prohibited electronic devices in their possession, do so at this time.
Administering English Language Arts Test Session 1

Schools are ultimately responsible for implementing procedures that ensure students do not possess cell phones or other prohibited devices during testing.

8. Make sure that students’ desks are clear, except for their testing devices, pens or pencils, and authorized bilingual dictionaries for current and former EL students.

**D Administer Session 1**

To ensure that all students across the state have access to the same information and receive the same instructions, test administrators must read the following script verbatim to their students. At any time during the test session, you may repeat a portion of the script if necessary for clarification.

If your principal has instructed you to do so, you will need to turn to section E at appropriate points during this session to read recommended scripts for students going to a supervised lunch or going to the restroom.

1. Say to the students:

   “We are about to begin the MCAS English Language Arts test. This is the first of two sessions that you will take. You will take Session 2 __________ (announce the date and time for Session 2). Please raise your hand if you have any questions about the testing schedule.”

   Answer any questions that students have. Then say:

   “The results of this test will be used to help improve your academic performance, and will be shared with your parents or guardians as well as your teachers. It is important that you try to do your best work during this and every test session.”

   If you are administering the **GRADE 10 TEST**, say:

   “The results of this test will also partially determine whether you receive a high school diploma.”

2. Then say to students:

   “I will now hand out scratch paper for you to use during this session. If at any point you need more, raise your hand and I will give you another sheet. You may have up to three sheets of scratch paper at one time. If you need more than three sheets, you will have to turn in some of your used scratch paper.”

   Distribute one sheet of blank scratch paper to each student.

3. For students using the text-to-speech or screen reader accommodations, which require headphones, say:

   “Put on your headphones and make sure they are plugged in. On your screen next to the ‘Sign In’ button, click the link that says ‘Test Audio.’ Make sure you can hear through your headphones and adjust the volume as needed.”

   Pause for students to adjust the volume in their headphones.

4. Then say:

   “I will now hand out the student testing tickets. Do not sign in until I tell you to do so.”
Administering English Language Arts Test Session 1

5. Distribute the student testing tickets. Make sure that you give each student his or her assigned student testing ticket.

   If you are administering a test using a proctor testing ticket, be sure to retain it for yourself and do not give it to the student – responses are only saved in tests accessed with student testing tickets, not proctor testing tickets.

6. Then say:

   “Look at your student testing ticket. Make sure it has your name on it. Raise your hand if you do not have the correct student testing ticket.”

7. Provide the correct student testing ticket to any student who has an incorrect ticket. If a student’s ticket needs to be printed out, you can find it on the Students in Sessions screen in PearsonAccess under the Resources dropdown.

8. If your principal has instructed you to do so, say to the students:

   “Write down the ID number for the computer you are using on your testing ticket. You can find the ID number __________ (instruct students where to find the device ID number).”

   Pause while students write down their device ID numbers.

9. Say to the students:

   “Now enter the username that is shown on your student testing ticket. Your username is actually a number that is 10 digits long. Then enter the password that is shown on your student testing ticket.”

   Assist any student who needs help entering his or her username or password.

   Then say:

   “Now click the button that says ‘Sign In.’”

   Walk around the room and make sure that all students have successfully signed in. Assist any students who did not successfully sign in. You may retype usernames and passwords for students if necessary.

10. When all students have successfully signed in, say:

    “Find your name on the upper right corner of the screen. If the name you see is not yours, raise your hand.”

11. If any students raise their hands, sign them out of TestNav and check their testing tickets. Once these students are properly signed in, say:

    “Your computer screen should now be at the ‘Available Tests’ screen.”

    Confirm that all students’ test devices are on the “Available Tests” screen.

12. If your principal has instructed you to

    † COLLECT STUDENT TESTING TICKETS say:

    “Now I will collect your testing tickets.”

    Collect students’ testing tickets.
Administering English Language Arts Test Session 1

Let students keep their testing tickets during the test, say:

“Please keep your testing ticket with you and do not use it for scratch paper. I will need to collect it at the end of this test session.”

13. Say to the students:

“Click the blue button on the screen that says ‘Start.’ You should now see a screen that says ‘Welcome.’”

Pause to confirm that students are on the correct screen.

14. Once all students’ testing devices are at the “Welcome” screen, say:

“Click the box in the middle of the screen that says ‘Start.’ You should now see a screen that says ‘Session 1’ at the top and states the number of questions below. If your screen does not say ‘Session 1,’ please raise your hand.”

Assist any students who raise their hands to get to the correct screen.

15. Then say to all students:

“Follow along while I read the directions that are on your screen.”

Note that the script below reproduces the directions on the students’ computer screens. There is no need to read the directions from a computer screen.

16. Say:

“Read each passage and question carefully. Then answer each question as well as you can.

Some questions will ask you to write a response. Write each response in the box provided on your screen. Your response may be longer than the space you see in the box. If your writing fills the box, a scroll bar will appear and you can keep on typing. You will be able to use the scroll bar to see everything you have written. Click on the ‘Exhibits’ tab for more information on how to use response boxes.

If you do not know the answer to a question, you may bookmark it and go on to the next question. When you are finished, you may review your answers and go back to any questions you bookmarked.”

17. Then say:

“Before you submit your answers at the end of the test session, be sure that you have responded to every question and not left anything blank or unanswered.

For written responses, there is a limit to how long your response may be. For each response, there is a counter at the top right of the response box. As you type, the number in the box will count down to show how many more characters you can type.

During the session, if you have a problem finding or using one of the tools on the computer screen, or difficulty using your computer, raise your hand. However, I will not be able to help you answer the test questions.”
Administering English Language Arts Test Session 1

18. Say to the students:

“Now I’m going to tell you about the notepad and highlighting.

During the ELA test, you may use a notepad in the computer test to take notes in addition to the scratch paper I handed out. The notepad will appear when you click on the button in the row of tools at the top of your screen, and it will stay there until you click the button again, or until you click the X in the top right corner of the notepad. The notepad cannot be resized, but if your writing fills the box, a scroll bar will appear and you can keep on typing. You may use the notepad to take your own notes, but you will not be able to copy or paste from a reading passage into the notepad.

It is important for you to know that any notes you write in your notepad on one screen will only remain on that same screen. When you click on the arrow to go to the next screen, you will have a new notepad. You will be able to go back to the previous screen and see the previous notepad. Although your notes won’t carry over, you can copy the notes from the notepad on one screen and paste them into a notepad on another screen. You can also use your scratch paper for longer notes you want to take.

You may want to highlight text in a passage, test question, or answer choice. Just as notes you take in the notepad won’t carry over from one screen to the next, highlighted text will not carry over from one screen to the next.”

19. Say to the students:

“This test session is scheduled to be __________ (state length of test session) long. If you have not finished answering the questions at the end of that time, you will be given more time to finish. At most, you will have until the end of the school day, as long as you are working productively.

If you finish answering the questions before the end of the test session, you should review your work for this session.

It is important that MCAS tests are fair to all students. Therefore, giving or receiving help is not allowed. This includes using notes, books, or other reference materials, accessing a cell phone or other electronic device other than your testing device, looking at another student’s screen, allowing another student to see your screen, passing notes or talking to other students. You may not access the Internet or use any application on your testing device other than the testing application that you are using right now. All students are expected to be honest and not cheat in any way.”

20. Then say to all students:

“Click the ‘Start’ button. You may now begin your test.”

Circulate among the students and verify that all have successfully started Session 1.
Administering English Language Arts Test Session 1

21. It is your responsibility to ensure a secure testing environment.

Test security requirements are described in Part I, and other test administration protocols are described throughout this manual.
Circulate among the students while they take the test to see that they are working steadily, and are not using cell phones or other prohibited electronic devices.

22. (Optional) Approximately midway through the session, say to students:

“You may now have a short break during which you may stand up and stretch. During the break, you may not discuss the test. If you do not want to take a break, you may continue working. The break will be _____ (state the length of the break) minutes long.”

The break may be scheduled for 3–5 minutes, at the test administrator’s discretion. It is not necessary to have students sign out of TestNav during the break, however security must be maintained by making sure students cannot see each other’s screens. The Department recommends closing laptop lids, turning off computer monitors, or placing tablets face down on desks. When the break is completed, say to the students:

“The break is over. You should begin testing again now.”

23. Monitor student testing status in the PAN Session. During testing, all students should be in an “Active” status. If a student has signed out or been kicked out of the test, he or she will be in “Exited” status and will need to be “Resumed” to continue testing. When students are in “Resumed” status, they can log back into the test and resume testing. Refer to Appendix B for instructions.

Clicking on a student’s status will show you how far the student has progressed through the test. Remember, however, that your primary responsibility is to focus your attention on the students rather than the computer.

24. When the time for the test session is half over, say to the students:

“The session time is half over. Remember to use the ‘Review’ button at the top of the screen to see which questions you’ve answered and skipped or that you bookmarked. Make sure that you do not skip any questions in this test session.”

25. Say to ANY STUDENT WHO FINISHES EARLY:

“I want to remind you that during this session you were supposed to answer all of the Session 1 questions. At the top of the screen, click ‘Review’ and make sure you have answered all of the questions.
You should make sure that you have not skipped any questions. Remember, once you have submitted your answers, you will not be permitted to go back to Session 1.”
Administering English Language Arts Test Session 1

Cell phones, music players, e-book readers, and other prohibited electronic devices are still not allowed during the remainder of this session until I give you permission.”

Permit students to check whether they have skipped any questions. Then assist students according to the instructions in step 28.

26. At the END OF THE SESSION, TO ANY STUDENTS STILL WORKING, say:

“This is the end of the time scheduled for this session. I want to remind you that during this session you were supposed to answer all of the Session 1 questions. At the top of the screen, click ‘Review’ and make sure you have answered all of the questions.

You should make sure that you have not skipped any questions. Remember, once you have submitted your answers, you will not be permitted to go back to Session 1.”

Pause to allow students to check whether they have skipped any questions.

27. Say to the students:

“If you need more time to answer any questions, raise your hand. Do not submit your final answers at this time.”

Note which students need more time. These students should not submit their final answers.

28. Then say to the students:

“If you have completed the test session, click the ‘Review’ button at the top of the screen, and then click ‘End of Section.’ Click the ‘Submit Final Answers’ button to submit your answers. On the popup screen, confirm you would like to submit by selecting, ‘Yes, Submit Final Answers.’ If you are not automatically signed out, sign out of the test by going to the User Dropdown Menu at the top right corner of the screen and click ‘Sign out of TestNav.’”

29. Circulate among the students to ensure all students have submitted their final answers in TestNav (with the exception of students who need more time). You are not permitted to check students’ work before they submit their tests.

30. For students who need more time, if your principal has instructed you to do so, read the following recommended script to students who are moving to a test completion room:

“If you have not yet finished your work in this session, you will be moved to __________ (location) to complete the test. You will have until the end of the school day to finish your work, as long as you are working productively.

Your cell phone and any other electronic devices must remain off, and you may not access them until I or another test administrator gives you permission to do so.”

If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other electronic devices in their possession while moving to a test completion room, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining security for students in a test completion room.
Administering English Language Arts Test Session 1

31. Collect students’ testing tickets (if you did not collect them earlier) and scratch paper. **Verify that you have a student testing ticket and scratch paper from each student.** For students who need more time to finish, follow the instructions given by your principal. Remind students of when Session 2 will begin. Students who completed testing will have a blue ‘Complete’ status in PearsonAccess. The Department recommends locking these students’ tests by clicking the arrow next to each student test in PAN and selecting “Lock.”

Or, if all students have completed testing, slide the Session lock button to the locked position to lock all students’ tests.

32. Make a list of all students in your assigned group who were not tested. These students will appear in PAN in the “Ready” status for this test session. These students will need to take Session 1 during the make-up period. If all the students assigned to you took Session 1, notify your principal of this. It is important to keep accurate records of who has been tested.

If a student will be moving to a test completion room, the student’s testing device should be transported along with the testing ticket if possible. Be sure to inform your principal when completing tracking documents and returning test materials to your principal.

33. **Group test materials into the following separate piles:**
   - student testing tickets
   - proctor testing tickets, if applicable
   - Student Responsibilities during MCAS Testing forms, for grades 6, 7, 8, and 10 if applicable
   - used scratch paper
   - unused scratch paper

34. Complete appropriate tracking documents, as instructed by your principal.

35. Immediately return all test materials and the list of students who were not tested to your principal.
Recommended Scripts to Read for a Supervised Lunch or Restroom Break

1. **For students who will be escorted to a SUPERVISED LUNCH**, if your principal has instructed you to do so, read the following recommended script to students:

   "It is now time for lunch. You will be able to continue testing after lunch, and you will have until the end of the school day to finish your work, as long as you are working productively.
   You will be going to ________ (location) after your supervised lunch to finish testing, and your test materials will be brought there for you. Your cell phone or other electronic devices must remain off during lunch, and you may not access them until the test administrator gives you permission to do so. Also, you may not discuss the test during your lunch break."

   If your principal has directed you to follow a different procedure to ensure that students have a supervised lunch and security is maintained, do so at this time.

   The Department recommends locking the student’s test by clicking the arrow next to the student’s test status and selecting “Lock.”

2. **For students who ask to use the RESTROOM during the test session**, if your principal has instructed you to do so, read or point to this recommended script:

   "You may not retrieve or access your cell phone or any prohibited materials while you are out of the room."

   If your principal has directed you to follow a different procedure, do so at this time. Make sure that the student’s screen is not visible to anyone else while the student is out of the room.

A Materials Needed for Session 2

1. You will need the following materials available in your testing space prior to testing:
   • “Do Not Disturb” sign
   • testing devices for students
   • a computer for managing the test session
   • printed copies of authorized bilingual word-to-word dictionaries for current and former EL students

   • pens or pencils for use on scratch paper
   • proctor testing tickets, if administering the Human Read-Aloud or Human Signer accommodation
   • a form to assist you and your principal in tracking secure materials

Note: English-language dictionaries are not allowed during the English Language Arts test.

Additional Preparations for Computer-Based Testing

   “If you have an electronic device with you, please make sure it is now turned off, put it in your backpack, and leave it by the side of the room. You will be able to access it again when I give you permission to do so.”

   Pause to make sure that students have turned cell phones and other prohibited electronic devices off and have placed them in their backpacks.

   If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other prohibited electronic devices in their possession, do so at this time. **Schools are ultimately responsible for implementing procedures that ensure students do not possess cell phones or other prohibited electronic devices during testing.**

### Administer Session 2

To ensure that all students across the state have access to the same information and receive the same instructions, test administrators must read the following script verbatim to their students. At any time during the test session, you may repeat a portion of the script if necessary for clarification.

If your principal has instructed you to do so, you will need to turn to section E at appropriate points during this session to read recommended scripts for students going to a supervised lunch or going to the restroom.

1. Say to the students:

   “We are about to begin Session 2 of the MCAS English Language Arts test. This is the last of the two sessions you will take for this test.”

2. Then say to students:

   “I will now hand out scratch paper for you to use during this session. If at any point you need more, raise your hand and I will give you another sheet. You may have up to three sheets of scratch paper at one time. If you need more than three sheets, you will have to turn in some of your used scratch paper.”

   Distribute one sheet of blank scratch paper to each student.

3. For students using the text-to-speech or screen reader accommodations, which require headphones, say:

   “Put on your headphones and make sure they are plugged in. On your screen next to the ‘Sign In’ button, click the link that says ‘Test Audio.’ Make sure you can hear through your headphones and adjust the volume as needed.”

   Pause for students to adjust the volume in their headphones.

4. Then say:

   “I will now hand out the student testing tickets. Do not sign in until I tell you to do so.”

5. Distribute the student testing tickets. Make sure that you give each student his or her assigned student testing ticket.
Administering English Language Arts Test Session 2

If you are administering a test using a proctor testing ticket, be sure to retain it for yourself and do not give it to the student – responses are only saved in tests accessed with student testing tickets, not proctor testing tickets.

6. Then say:

“Look at your student testing ticket. Make sure it has your name on it. Raise your hand if you do not have the correct student testing ticket.”

7. Provide the correct student testing ticket to any student who has an incorrect ticket. If a student’s ticket needs to be printed out, you can find it on the Students in Sessions screen in PearsonAccessnext under the Resources dropdown.

8. If your principal has instructed you to do so, say to the students:

“Write down the ID number for the computer you are using on your testing ticket. You can find the ID number__________ (instruct students where to find the device ID number).”

Pause while students write down their device ID numbers.

9. Say to the students:

“Now, enter the username that is shown on your student testing ticket. Your username is actually a number that is 10 digits long. Then enter the password that is shown on your student testing ticket.”

Assist any student who needs help entering his or her username or password.

Then say:

“Now, click the button that says ‘Sign In.’”

Walk around the room and make sure that all students have successfully signed in. Assist any students who did not successfully sign in. You may retype usernames and passwords for students, if necessary.

10. When all students have successfully signed in, say:

“Find your name on the upper right corner of the screen. If the name you see is not yours, raise your hand.”

11. If any students raise their hands, sign them out of TestNav and check their testing tickets. Once these students are properly signed in, say:

“Your computer screen should now be at the ‘Available Tests’ screen.”

Confirm that all students’ test devices are on the “Available Tests” screen.

12. If your principal has instructed you to

   > COLLECT STUDENT TESTING TICKETS say:

   “Now I will collect your testing tickets.”

   Collect students’ testing tickets.

   > LET STUDENTS KEEP THEIR TESTING TICKETS during the test, say:

   “Please keep your testing ticket with you and do not use it for scratch paper. I will need to collect it at the end of this test session.”

13. Say to the students:

   “Click the blue button on the screen that says ‘Start.’ You should now see a screen that says ‘Welcome.’”

   Pause to confirm that students are on the correct screen.

14. Once all students’ testing devices are at the “Welcome” screen, say:

   “Click the box in the middle of the screen that says ‘Start.’ You should now see a screen that says ‘Session 2’ at the top and states the number of questions below. If your screen does not say ‘Session 2,’ please raise your hand.”

   Assist any students who raise their hands to get to the correct screen.

15. Then say to all students:

   “Follow along while I read the directions that are on your screen.”

   Note that the script below reproduces the directions on the students’ computer screens. There is no need to read the directions from a computer screen.

16. Say:

   “Read each passage and question carefully. Then answer each question as well as you can.

   Some questions will ask you to write a response. Write each response in the box provided on your screen. Your response may be longer than the space you see in the box. If your writing fills the box, a scroll bar will appear and you can keep on typing. You will be able to use the scroll bar to see everything you have written.

   Click on the ‘Exhibits’ tab for more information on how to use response boxes.

   If you do not know the answer to a question, you may bookmark it and go on to the next question. When you are finished, you may review your answers and go back to any questions you bookmarked.”

17. Then say:

   “Before you submit your answers at the end of the test session, be sure that you have responded to every question and not left anything blank or unanswered.

   For written responses, there is a limit to how long your response may be. For each response, there is a counter at the top right of the response box. As you type, the number in the box will count down to show how many more characters you can type.

   During the session, if you have a problem finding or using one of the tools on the computer screen, or difficulty using your computer, raise your hand. However, I will not be able to provide any assistance with the content of the test or help you answer the test questions.”

18. Say to the students:

“Now I’m going to tell you about the notepad and highlighting.

During the ELA test, you may use a notepad in the computer test to take notes in addition to the scratch paper I handed out. The notepad will appear when you click on the button in the row of tools at the top of your screen, and it will stay there until you click the button again, or until you click the X in the top right corner of the notepad. The notepad cannot be resized, but if your writing fills the box, a scroll bar will appear and you can keep on typing. You may use the notepad to take your own notes, but you will not be able to copy or paste from a reading passage into the notepad.

It is important for you to know that any notes you write in your notepad on one screen will only remain on that same screen. When you click on the arrow to go to the next screen, you will have a new notepad. You will be able to go back to the previous screen and see the previous notepad. Although your notes won’t carry over, you can copy the notes from the notepad on one screen and paste them into a notepad on another screen. You can also use your scratch paper for longer notes you want to take.

You may want to highlight text in a passage, test question, or answer choice. Just as notes you take in the notepad won’t carry over from one screen to the next, highlighted text will not carry over from one screen to the next.”

19. Say to the students:

“This test session is scheduled to be _____ (state length of session) long. If you have not finished answering the questions at the end of that time, you will be given more time to finish. At most, you will have until the end of the school day, as long as you are working productively.

If you finish answering the questions before the end of the test session, you should review your work for this session.

It is important that MCAS tests are fair to all students. Therefore, giving or receiving help is not allowed. This includes using notes, books, or other reference materials, accessing a cell phone or other electronic device other than your testing device, looking at another student’s screen, allowing another student to see your screen, passing notes or talking to other students. You may not access the Internet or use any application on your testing device other than the testing application that you are using right now. All students are expected to be honest and not cheat in any way.”

20. Then say to the students:

“Click the ‘Start’ button. You may now begin your test.”

Circulate among the students and verify that all have successfully started Session 2.

21. It is your responsibility to ensure a secure testing environment.

Test security requirements are described in Part I, and other test administration protocols are described throughout this manual.

Circulate among the students while they take the test to see that they are working steadily, and are not using cell phones or other prohibited electronic devices.

22. (Optional) Approximately midway through the session, say to students:

“You may now have a short break during which you may stand up and stretch. During the break, you may not discuss the test. If you do not want to take a break, you may continue working. The break will be _____ (state the length of the break) minutes long.”

The break may be scheduled for 3–5 minutes, at the test administrator's discretion. It is not necessary to have students sign out of TestNav during the break, however security must be maintained by making sure students cannot see each other’s screens. The Department recommends closing laptop lids, turning off computer monitors, or placing tablets face down on desks. When the break is completed, say to the students:

“The break is over. You should begin testing again now.”

23. Monitor student testing status in the PAN Session. During testing, all students should be in an “Active” status. If a student has signed out or been kicked out of the test, he or she will be in “Exited” status and will need to be “Resumed” to continue testing. When students are in “Resumed” status, they can log back into the test and resume testing.

Clicking on a student's status will show you how far the student has progressed through the test. Remember, however, that your primary responsibility is to focus your attention on the students rather than the computer.

24. When the time for the test session is half over, say to the students:

“The time for this session is half over. Remember to use the ‘Review’ button at the top of the screen to see which questions you’ve answered and skipped or that you bookmarked. Make sure that you do not skip any questions in this session.”

25. Say to ANY STUDENT WHO FINISHES EARLY:

“I want to remind you that during this session you were supposed to answer all of the Session 2 questions. At the top of the screen, click ‘Review’ and make sure you have answered all of the questions.

You should make sure that you have not skipped any questions. Remember, once you have submitted your answers, you will not be permitted to go back to Session 2.”
Administering English Language Arts Test Session 2

Cell phones, music players, e-book readers, and other prohibited electronic devices are still not allowed during the remainder of this session until I give you permission.”

Permit students to check whether they have skipped any questions. Then assist students according to the instructions in step 28.

26. At the END OF THE SESSION, TO ANY STUDENTS STILL WORKING, say:

“This is the end of the time scheduled for this session. I want to remind you that during this session you were supposed to answer all of the Session 2 questions. At the top of the screen, click ‘Review’ and make sure you have answered all of the questions.

You should make sure that you have not skipped any questions. Remember, once you have submitted your answers, you will not be permitted to go back to Session 2.”

Pause to allow students to check whether they have skipped any questions.

27. Say to the students:

“If you need more time to answer any questions, raise your hand. Do not submit your final answers at this time.”

Note which students need more time. These students should not submit their final answers.

28. Then say to the students:

“If you have completed the test session, click the ‘Review’ button at the top of the screen, and then click ‘End of Section.’ Click the ‘Submit Final Answers’ button to submit your answers. On the popup screen, confirm you would like to submit by selecting, ‘Yes, Submit Final Answers.’ If you are not automatically signed out, sign out of the test by going to the User Dropdown Menu at the top right corner of the screen and click ‘Sign out of TestNav.’”

29. Circulate among the students to ensure all students have submitted their final answers in TestNav (with the exception of students who need more time). You are not permitted to check students’ work before they submit their tests.

30. For students who need more time, if your principal has instructed you to do so, read the following recommended script to students who are moving to a test completion room:

“If you have not yet finished your work in this session, you will be moved to __________ (location) to complete the test. You will have until the end of the school day to finish your work, as long as you are working productively.

Your cell phone and any other electronic devices must remain off, and you may not access them until I or another test administrator gives you permission to do so.”

If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other electronic devices in their possession while moving to a test completion room, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining security for students in a test completion room.

31. Collect students’ testing tickets (if you did not collect them earlier) and scratch paper. **Verify that you have a student testing ticket and scratch paper from each student.** For students who need more time to finish, follow the instructions given by your principal. Students who completed testing will have a blue ‘Complete’ status in PearsonAccess next. The Department recommends locking these students’ tests by clicking the arrow next to each student test in PAN and selecting “Lock,” or, if all students have completed testing, sliding the Session lock button to the locked position to lock all students’ tests (see screenshots on page 43).

32. Make a list of all students in your assigned group who were not tested. These students will appear in PAN in the “Ready” status for this test session. These students will need to take Session 2 during the make-up period. If all the students assigned to you took Session 2, notify your principal of this. It is important to keep accurate records of who has been tested.

   If a student will be moving to a test completion room, the student’s testing device should be transported along with the testing ticket if possible. Be sure to inform your principal when completing tracking documents and returning test materials to your principal.

33. Group test materials into the following separate piles:
   - student testing tickets
   - proctor testing tickets, if applicable
   - used scratch paper
   - unused scratch paper

34. Complete appropriate tracking documents, as instructed by your principal.

35. Immediately return all test materials and the list of students who were not tested to your principal.

**Recommended Scripts to Read for a Supervised Lunch or Restroom Break**

1. **For students who will be escorted to a SUPERVISED LUNCH,** if your principal has instructed you to do so, read the following recommended script to students:

   “It is now time for lunch. You will be able to continue testing after lunch, and you will have until the end of the school day to finish your work, as long as you are working productively.

   You will be going to _________ (location) after your supervised lunch to finish testing, and your test materials will be brought there for you. Your cell phone or other electronic devices must remain off during lunch, and you may not access them until the test administrator gives you permission to do so. Also, you may not discuss the test during your lunch break.”

   If your principal has directed you to follow a different procedure to ensure that students have a supervised lunch and security is maintained, do so at this time.
Administering the Student Tutorial and the Practice Tests

The Department recommends locking the student’s test by clicking the arrow next to the student’s test status and selecting “Lock.”

To unlock a student’s test when the student has returned, click the arrow next to the student’s test status and select “Unlock.”

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining the security of test materials for these students.

2. **For students who ask to use the RESTROOM during the test session**, if your principal has instructed you to do so, read or point to this recommended script:

   “**You may not retrieve or access your cell phone or any prohibited materials while you are out of the room.**”

   If your principal has directed you to follow a different procedure, do so at this time. Make sure that the student’s screen is not visible to anyone else while the student is out of the room.
