Notes:

- Percentages are out of the total number of AYP determinations for each group.
- Aggregate AYP determinations are issued when a school has 20 or more students.
- Subgroup AYP determinations are issued when a school has 40 or more students in a subgroup.
- \*Made AYP data for Both Subjects represent the number and percentage of groups making AYP for both subjects or for one subject when the group is too small to generate a finding in the other subject area.
