The 10 Boys/Girls Initiative Core Values at the Edison K-8 are:

1. Be respectful, honest and a trustworthy student.
2. Have self-awareness of yourself, which includes appropriate language at all times.
3. Be a scholar, leader and great community member.
4. Be attentive, ready to learn and a student that has ambition.

Questions:

What would it mean, for me to be a 10 Boy/ Girl (Circle) and a respectable member in my community?

Who am I and who do I want to become? Have I reached half of my goal?

How can I become my best self/scholar? (example: becoming a better listener, less inappropriate behavior or completing small tasks)
