USE OF ASSESSMENT DATA

Gather data from all assessment procedures to be synthesized.

Massachusetts Department of Elementary and Secondary Education
USE OF ASSESSMENT DATA

Integrate information from:

- Observations
- Parent input
- Previous school experiences
- Review of prior records
- Tests
- Interviews
- Daily work assignments

Massachusetts Department of Elementary and Secondary Education
USE OF ASSESSMENT DATA

- What picture emerges of the student's areas of strength and need?
- What information appears to be inconsistent?
- Where is more information or detail needed?
