

# Regional Coordination/Collaboration Strategy Sessions

## Who?

Everyone!

## What?

We divided the state into five areas to create macro-level regions. Each region – and the individual districts within the region – will have the opportunity to brainstorm on their goals related to coordination and collaboration and the action steps needed to reach those goals.

## When?

2:20-3:30

## Where?

Please see the participant list for your room assignment. Participants are divided into groups as follows:

- Room A = Greater Boston
- Room C = West
- Room E = Northeast
- Jr. Ballroom = Southeast/Cape
- Ballroom South = Central

## Why?

We know that finding time to meet together to plan activities related to coordination and collaboration can often be difficult! The purpose of the regional coordination/collaboration strategy session is to provide a structured opportunity for you to meet together with other staff from your district and region.

## How?

Each regional session will include Department staff to provide guiding questions and help facilitate the conversations. A strategic action planning tool will be provided to provide structure for the conversations and assist in developing concrete goals and activities related to coordination and collaboration.
