DIRECTIONS
Mark your answers to the following questions in the box labeled Student Questionnaire on the inside back cover of your Student Answer Booklet. If you do not see one best answer for a question, leave that question blank and go to the next question. Please ask your teacher for help if you are not sure how to answer any of these questions.

1. How does using a computer compare with working by hand when you are completing school assignments such as reports or essays?
   A. It is a lot easier to write on a computer than by hand.
   B. It is somewhat easier to write on a computer than by hand.
   C. It doesn’t make any difference whether I write on a computer or by hand.
   D. It is somewhat harder to write on a computer than by hand.
   E. It is a lot harder to write on a computer than by hand.

2. What types of tests have you taken on a computer? Choose all that apply.
   A. multiple choice
   B. essay
   C. combination of multiple-choice questions and written responses
   D. I have never taken a test on a computer.
   E. I don’t know.

3. What are your plans after high school?
   A. attend a four-year college
   B. attend a two-year college
   C. join the military
   D. work full time
   E. other
   F. I don’t know.

4. In general, how much time do you spend on homework each week?
   A. less than 3 hours each week
   B. about 3 to 6 hours each week
   C. about 7 to 9 hours each week
   D. about 10 to 12 hours each week
   E. about 13 to 15 hours each week
   F. more than 15 hours each week
The following questions are for research purposes only. Your answers will NOT be reported to your school or district.

Think about your core classes this year (Math, English, Social Studies, Science, and Foreign Language) at your school as you respond to questions 5–25.

5. In my classes, discussions go back and forth between students and teachers, and among students.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

6. My teachers tell students in advance how their work is going to be graded.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

7. In discussing my work, my teachers use a positive **tone** even when my work is not up to standard.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

8. In my classes, students are encouraged to give their opinions during class discussions.
   A. in nearly all class discussions
   B. in the majority of class discussions
   C. in some class discussions
   D. in a few class discussions
   E. in no class discussions

9. During a lesson, teachers are quick to change how they teach, if students in the class do **not** understand (for example, switch from using written explanations to using diagrams).
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

10. In my classes, it is okay for students to suggest other ways to do an activity.
    A. in nearly all classes
    B. in the majority of classes
    C. in some classes
    D. in a few classes
    E. in no classes
11. My teachers often have us work on papers/projects that require us to combine materials from several sources (e.g., books, Internet, newspapers).
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

12. In my classes, students are expected to support their ideas and reasoning (e.g., by providing evidence) when involved in classroom discussions with other students.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

13. In my classes, students get individual attention when they need it.
   A. strongly agree
   B. agree
   C. neither agree nor disagree
   D. disagree
   E. strongly disagree

14. In my classes, if students are confused teachers explain in another way.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

15. In my classes, teachers use students’ interests to plan their activities.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

16. In my classes, before teachers tell students an answer to a problem or question, they give students enough time to say how they would solve the problem or answer the question.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

17. In my classes, students and teachers share the responsibility for students to behave well.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

18. In my classes, lessons frequently connect what students have learned before with what students are learning now.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes
19. Teachers and students respect each other in my classes.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

20. In my classes, my teachers are interested in my well-being beyond just my class work.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

21. My teachers have the attitude that all students can succeed in their learning.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

22. I work with different groups of students in my classes.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

23. What I learn from my teachers often inspires me to explore topics outside of school.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

24. Students know that they have to get the work done in my classes.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes

25. In my classes, students are allowed to create assignments that interest them personally.
   A. in nearly all classes
   B. in the majority of classes
   C. in some classes
   D. in a few classes
   E. in no classes
