

IMPORTANT NOTICE

REGARDING BINAXNOW™ COVID-19 Ag CARD HOME TEST EXPIRATION DATE

Thank you for your order. We want to provide you updated information about the expiration date on your BinaxNow™ COVID-19 Ag Card Home Test.

On January 7, 2022, the FDA granted a 15-month shelf life to the BinaxNOW COVID-19 Ag Card Home Test. If you are receiving this notification, the test kits you have received have an expiration date that was printed with an expiry label that has now been extended an additional six (6) months. What this means is that whatever expiry date you see printed on your test kits has been extended an additional six (6) months. For example, a test kit with an expiration date of 2021-11-08 will now expire 2022-05-08.
