Which element of the rubric is connected to this goal? How will achieving this goal impact student learning?	How will you measure growth over time? (what data will you use?)	How does this goal relate to improving current practice? What will you be doing differently to help students achieve at a higher level?	Is this a realistic goal that you can reasonably accomplish? What is the expected improvement? How will you know?	When will you reach your goal? How will you know you have reached it?
