3-B Title I Family/Guardian Engagement

Finding

Requirements

District and schools develop jointly with, annually evaluate and update with, and distribute to families/guardians written family/guardian engagement policies and school-family/guardian compacts.

- Family/Guardian engagement policies describe specific rights of families/guardians and the information and meaningful activities developed with families/guardians so the entire community is prepared to participate in student educational growth. Policies must also describe how families/guardians are involved in an annual evaluation of the effectiveness of the family/guardian engagement in improving academic achievement.
- School-family/guardian compacts are agreements between the entire school and the home (families/guardians) that describe the responsibilities of each party, including the student, if desired.

Legal Standards

ESEA §§1111-1112; §§1114-1116

Finding Description

The district's evidence that a Title I school-family compact is distributed consisted of a brief description of the Title I program found in the Parent-Student Handbook. Such description does not equal or meet the intent of a compact.

Required Action

Submit evidence that a Title I School-Family/Guardian compact was distributed to all families in Title I schools in the district.

Deadline for Submission of Evidence

10-A Title IIA Program Activities Evaluation

Finding

Requirements

Professional development and other activities funded with Title IIA funds must use data and ongoing evaluation to continually update and improve activities.

Legal Standards

ESEA § 2102(b)(2)(D)

Finding Description

A copy of the professional development plan was submitted instead of the evaluation summary of the previous year's Title IIA funded activities.

Required Action

Submit a written summary of the 2023-24 school year Title IIA program evaluation, including indicators of impact on student achievement, strengths and weaknesses of the program, and subsequent program changes. The summary should include evaluation of participating private school services as well. Submit a detailed plan for how you will carry out the 2024-25 Title IIA program evaluation, including the timeline of steps involved, data collected and analyzed to gauge impact, individuals responsible for each step, and stakeholders consulted. Include in your plan how you will collaborate with participating private schools to evaluate services. Participate in targeted technical assistance on program evaluation as required by the Federal Grant Programs office.
