MEMORANDUM

To: Ashburnham-Westminster, Title I, IIA, and IVA Directors in FY 2024 Monitoring Cohort

From: Simone Lynch, Director of Federal Grant Programs

Date: May 16, 2025

Subject: Notice of FY 2024 ESSA (Titles I, IIA, and IVA) program monitoring required actions

Thank you for submitting materials for your district's FY 2024 federal grant program monitoring review. Our federal grant program staff have reviewed the materials your district submitted and, in certain cases, have requested and obtained additional documentation from your district.

All district submissions, record of review, and the district's monitoring outcomes report are located in the Communication Hub and Monitoring Portal (CHAMP). The report lists all review criteria and indicates which requirements were fulfilled and which had findings. Criteria with findings include a finding description, required action, and a deadline for submission of evidence that the required action to address the finding is complete.

Evidence of required actions are to be uploaded in CHAMP by the deadline, **October 10, 2025**, in the same manner that initial submission of documentation was uploaded by the district monitoring contact.

If you have any questions or concerns, please contact your ESSA grant monitoring reviewer.

3-B Title I Family/Guardian Engagement

Finding

Requirements

District and schools develop jointly with, annually evaluate and update with, and distribute to families/guardians written family/guardian engagement policies and school-family/guardian compacts.

- Family/Guardian engagement policies describe specific rights of families/guardians and the information and meaningful activities developed with families/guardians so the entire community is prepared to participate in student educational growth. Policies must also describe how families/guardians are involved in an annual evaluation of the effectiveness of the family/guardian engagement in improving academic achievement.
- School-family/guardian compacts are agreements between the entire school and the home (families/guardians) that describe the responsibilities of each party, including the student, if desired.

Legal Standards

ESEA §§1111-1112; §§1114-1116

Finding Description

District did not submit evidence that the Title I family engagement policies were evaluated by families/guardians.

Required Action

Submit a current, dated copy of the district's and each Title I school's Title I family engagement policy after they have been updated with family/guardian input. Submit evidence that the family engagement policies have been reviewed by families/guardians and revisions have been made in an updated policy.

Deadline for Submission of Evidence

3-C Title I Family/Guardian Outreach and Involvement

Finding

Requirements

Schools conduct meetings at least annually to inform participating families/guardians of students about Title I programs. District and its schools develop materials and implement training/meeting time for Title I families/guardians to understand and collaborate on:

- The state's academic content standards and state student academic achievement standards;
- State and local academic assessments, including alternative assessments;
- The family/guardian engagement requirements of section 1116; and
- Sharing best practices and resources with families/guardians on how to monitor and improve student academic progress and achievement

Additionally, districts and schools provide accessible tools to assist all families in understanding and collectively supporting student improvement and achievement.

Legal Standards

ESEA §§1111-1112; §§1114-1116

Finding Description

The district did not submit sufficient evidence to show that the Title I schools have provided accessible tools to help build capacity among families in understanding and collectively supporting student improvement and achievement.

Required Action

Submit evidence that the Title I schools provide parents/families with communications, resources, workshops, trainings, etc. to help them build capacity to understand and improve their child's academic achievement. Evidence may include copies of meeting agendas, workshop flyers, sign-in sheets, newsletters and other documentation that demonstrates the district is providing accessible tools to assist all families/guardians in understanding the state's high standards, as well as sharing best practices and resources with families on how to monitor and improve student academic progress and achievement.
