From: Simone Lynch, Director of Federal Grant Programs

Date: May 16, 2025

Subject: Notice of FY 2024 ESSA (Titles I, IIA, and IVA) program monitoring required actions

---

Thank you for submitting materials for your district's FY 2024 federal grant program monitoring review. Our federal grant program staff have reviewed the materials your district submitted and, in certain cases, have requested and obtained additional documentation from your district.

All district submissions, record of review, and the district's monitoring outcomes report are located in the Communication Hub and Monitoring Portal (CHAMP). The report lists all review criteria and indicates which requirements were fulfilled and which had findings. Criteria with findings include a finding description, required action, and a deadline for submission of evidence that the required action to address the finding is complete.

Evidence of required actions are to be uploaded in CHAMP by the deadline, **October 10, 2025** , in the same manner that initial submission of documentation was uploaded by the district monitoring contact.

If you have any questions or concerns, please contact your ESSA grant monitoring reviewer.
