MEMORANDUM

To: King Philip, Title I, IIA, and IVA Directors in FY 2024 Monitoring Cohort

From: Simone Lynch, Director of Federal Grant Programs

Date: May 19, 2025

Subject: Notice of FY 2024 ESSA (Titles I, IIA, and IVA) program monitoring required actions

Thank you for submitting materials for your district's FY 2024 federal grant program monitoring review. Our federal grants program staff members have reviewed the materials your district submitted and, in certain cases, have requested and obtained additional documentation from your district.

All district submissions, record of review, and the district's monitoring outcomes report are located in the Communication Hub and Monitoring Portal (CHAMP). The report lists all review criteria and indicates which requirements were fulfilled and which had findings. Criteria with findings include a description of the finding, required action, and a deadline for submission of evidence that the required action to address the finding is complete.

Evidence of required actions must be uploaded in CHAMP by **October 10, 2025** in the same manner that initial submission of documentation was uploaded by the district's monitoring contact person.

The federal government, the Department (DESE), and the district all have an interest in seeing that actions taken to address findings are sufficient and that compliance with grant program requirements is sustained beyond completion of this monitoring review. To this end, your ESSA grant monitoring reviewer will be in contact as needed to provide your district support. Support and oversight can range from phone contact and online meetings to in-person visits and required in-depth technical assistance activities.

If you have any questions or concerns, please contact your ESSA grant monitoring reviewer.
