GRANT AWARD NOTIFICATION

10

PR/AWARD NUMBER: S425D200025
RECIPIENT NAME: MA Department of Elementary and Secondary Education

TERMS AND CONDITIONS

- (1) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN.

If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:

- 1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.
 - 2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").
 - 3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract.
- (2) You are authorized, in carrying out this grant, to utilize the higher threshold set for micro-purchase and simplified acquisition thresholds for federal assistance under this grant or under a contract you award under this grant established by recent statutory changes. These statutory changes raise the threshold for micro-purchases under Federal financial assistance awards to \$10,000 and raise the threshold for simplified acquisitions to \$250,000 for recipients. These higher thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR) at 48 CFR Subpart 2.1 (Definitions), which has not yet occurred. See 2 CFR 200.67 and 200.88. For FY 2018, OMB is granting an exception allowing recipients to use the higher thresholds in advance of changes to the FAR. Please refer to Office of Management and Budget s Memorandum 18-18 regarding the statutory changes. If you have any questions about these regulations, please contact the program officer identified in Block 3 of this GAN.
- (3) The negotiated indirect cost rate or the indirect cost allocation plan approved for the entity identified in Block 1 of this GAN applies to this grant award.

**An Overview of Single Audit Requirements of States,
Local Governments, and Non-Profit Organizations**

To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form, to:

Federal Audit Clearinghouse
1201 East 10th Street
Jeffersonville, Indiana 47132
(301) 763-1551 (voice)
(800) 253-0696 (toll free)
(301) 457-1540 (fax)

Below is a summary of the single audit requirements:

- 1) Single Audit. A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.514, "Scope of Audit," except when it elects to have a program specific audit conducted.
- 2) Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding R&D), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
- 3) Exemption when Federal awards expended are less than \$750,000. A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

4) Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.

5) Report Submission. The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

If the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at the address, phone, or fax number provided on page 3 of this attachment.

Grantees can obtain information on single audits from:

The OMB web site. The Internet address is www.omb.gov. Look under OMB "In this section", Management, then in OFFM (Office of Federal Financial Management). (To obtain OMB Compliance Supplement, and Form SF-SAC: Data Collection Form)

The Federal Audit Clearinghouse, 1-800-253-0696 (to obtain Form SF-SAC: Data Collection Form), or

The American Institute of Certified Public Accountants (AICPA). AICPA has illustrative OMB Single Audit report examples that might be of interest to accountants, auditors, or financial staff. The examples can be obtained by their fax hotline: (202) 938-3797, request document number 311; or from their Internet page. The Internet address is www.aicpa.org.

If the U.S. Department of Education is the cognizant agency for the grantee organization, the following shows, according to the location of the grantee entity, which location of the Office of Inspector General to contact for single audit-related questions. For programmatic questions, grantees should contact the Education Program Contact shown on the Department's Grant Award Notification.

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

- 1) the percentage of the total costs of the program or project which will be financed with Federal money;
- 2) the dollar amount of Federal funds for the project or program; and
- 3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Division B, Title V, Section 505 of Public Law 115-245, Consolidated Appropriations Act, 2019.

**PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE
DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS**

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

**Registration of Unique Entity Identifier (UEI) Number and Taxpayer Identification Number (TIN)
in the System for Award Management (SAM)**

The U.S. Department of Education (Education) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with Education you must have a registered Unique Entity Identifier (UEI)* and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from Education.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered [TINs according to the IRS](#).

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

*Currently, ED uses the Data Universal Numbering System (DUNS) number, assigned by Dun and Bradstreet, INC. to uniquely identify business entities, as the UEI.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

1. Requirement for System for Award Management (SAM)

Unless you are exempted from this requirement under 2 CFR 25.110, you as the recipient must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

2. Requirement for Unique Entity Identifier (UEI)* Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that no entity (see definition in paragraph C of this award term) may receive a subaward from you unless the entity has provided its UEI number to you.
2. May not make a subaward to an entity unless the entity has provided its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM Internet site (currently at <http://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier required for SAM registration to uniquely identify business entities. Currently the Data Universal Numbering System (DUNS) number, the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B), is used to uniquely identify business entities. A DUNS number may be obtained from D&B by telephone (currently 866-705-5711) or the Internet (currently at <http://fedgov.dnb.com/webform>).
3. Entity, as it is used in this award term, means all of the following, as defined at 2 CFR part 25, subpart C:
 - a. A Governmental organization, which is a State, local government, or Indian Tribe;
 - b. A foreign public entity;
 - c. A domestic or foreign nonprofit organization;
 - d. A domestic or foreign for-profit organization; and
 - e. A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.
4. Subaward:
 - a. This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.
 - b. The term does not include your procurement of property and services needed to carry out the project or program (see 2 CFR 200.501 of the OMB “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”).

- c. A subaward may be provided through any legal agreement, including an agreement that you consider a contract.
5. Subrecipient means an entity that:
- a. Receives a subaward from you under this award; and
 - b. Is accountable to you for the use of the Federal funds provided by the subaward.

*Currently, ED uses the Data Universal Numbering System (DUNS) number, assigned by Dun and Bradstreet, INC. to uniquely identify business entities, as the UEI.

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.” In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

**MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION (THE
DEPARTMENT) GRANTEES OF EXISTING CASH MANAGEMENT
REQUIREMENTS REGARDING PAYMENTS**

The Department expects that grantees will ensure that their subgrantees are also aware of these policies by providing relevant information to them.

There are three categories of payment requirements that apply to the draw of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,¹ as follows:

- (1) Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);
- (2) Payments to States under programs that are not covered by a TSA; and
- (3) Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs) are included in a State's written TSA. See 31 CFR part 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR part 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

¹ The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR 200.305(b). These requirements are similar to those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrates the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability as established in" 2 CFR 200.305(b). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities other than States must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

- Grantees other than States and subgrantees must annually remit interest earned on federal advance payments except that the non-Federal entity may retain up to \$500 of interest earned on the account each year to pay for the costs of maintaining the account.
- Grantees other than States and subgrantees must remit interest earned on Federal advance payments to the Department of Health and Human Services, Payment Management System (PMS), through either Automated Clearinghouse (ACH) network or Fedwire. Detailed information about electronic remittance of funds via ACH or Fedwire are specified in 2 CFR 200.305(b)(9)(i) and (ii). For non-Federal entities that do not have electronic remittance capability, checks must be made payable to HHS and addressed to:

U.S. Department of Health and Human Services
Program Support Services
P.O. Box 530231
Atlanta, GA 30353-0231

The remittance should be accompanied by a letter stating that the remittance is for "interest earned on Federal funds", the name of the awarding agency, the grant number(s) for which the interest was earned and the Unique Entity Identifier (UEI)* of the non-Federal entity making the payment.

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform

Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR 200.331, pass-through entities must –

- Establish monitoring priorities based on the risks posed by each subgrantee, including risks associated with the drawdown of grant funds and remittance of interest to the Federal Government;
- Monitor the fiscal activity of subgrantees as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

A small number of ED grant programs have program-specific cash management and payment requirements based on the authorizing legislation or program regulations. These program-specific requirements may supplement or override general cash management or payment requirements. If you have any questions about your specific grant, please contact the program officer, whose contact information is on Block 3 of your Grant Award Notification (GAN).

*Currently, ED uses the Data Universal Numbering System (DUNS) number, assigned by Dun and Bradstreet, INC. to uniquely identify business entities, as the UEI.

**RECIPIENTS OF ED GRANTS AND COOPERATIVE AGREEMENTS
FREQUENTLY ASKED QUESTIONS ON
CASH MANAGEMENT**

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990 (CMIA)* establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, see the recently issued Memorandum from the Chief Financial Officer on Cash Management which is posted on the ed.gov "ED Memoranda to Grantees" page at: <http://www2.ed.gov/policy/fund/guid/gposbul/gposbul.html>

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program. Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

A When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.

Q Who is responsible for Cash Management?

A Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.

Q Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?

A Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.

Q How soon may I draw down funds from the G5 grants management system?

A Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:

By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)

Q How may I use Federal funds?

A Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.

Q What are the consequences to recipients/subrecipients for not complying with terms of the grant award?

A If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may take one or more of the following actions:

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q Who is responsible for determining the amount of interest owed to the Federal government?

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305. Also, see the July 12, 2016, memorandum from the Department's Chief Financial Officer on Department of Education Cash Management Policies for Grants and Cooperative Agreements posted at <http://www2.ed.gov/policy/fund/guid/gposbul/gposbul.html>.

Q What information should accompany my interest payment?

A Remittances must include pertinent information of the payee and nature of payment in the memo area (often referred to as "addenda records" by Financial Institutions) as that will assist in the timely posting of interest earned on federal funds. Pertinent details include the Payee Account Number (PAN) if the payment originated from PMS, or Agency information if the payment originated from ASAP, NSF or another federal agency payment system. CFR 200.305(b)(9).

Q Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

Q For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?

A A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).

Q Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?

A Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.
