English Language Arts - Spring 2025

Below are your child's results from the 2025 MCAS Alternate Assessment (MCAS-Alt). All students are required to participate in federally mandated statewide assessments, either by taking the standard MCAS tests or by participating in the MCAS Alternate Assessment (MCAS-Alt) for students with the most significant disabilities who meet the eligibility requirements. Your child's school submitted their MCAS-Alt last spring, as designated by their IEP.

The MCAS-Alt is a record of your child's level of achievement of alternate academic achievement standards. Before the MCAS-Alt was submitted, your child's school was required to invite you to review your child's MCAS-Alt assessment. If you have questions about the results, please meet with your child's educator(s) to discuss the alternate achievement standards and your child's performance. The Department of Elementary and Secondary Education (DESE) would like to acknowledge the efforts your school put forth to ensure all students have challenging expectations.
