Scaled Score

The horizontal black bar in the graphic above shows the range of likely scores your student would receive if they took the test multiple times.

Achievement Level	Description
Exceeding Expectations	A student who performed at this level exceeded grade-level expectations by demonstrating mastery of the subject matter.
Meeting Expectations	A student who performed at this level met grade-level expectations and is academically on track to succeed in the current grade in this subject.
Partially Meeting Expectations	A student who performed at this level partially met grade-level expectations in this subject. The school, in consultation with the student's parent/guardian, should consider whether the student needs additional academic assistance to succeed in this subject.
Not Meeting Expectations	A student who performed at this level did not meet grade-level expectations in this subject.  The school, in consultation with the student's parent/guardian, should determine the coordinated academic assistance and/or additional instruction the student needs to succeed in this subject.

The screenshot shows the DESE (Department of Elementary and Secondary Education) website interface. At the top, the DESE logo is displayed alongside the text 'MASSACHUSETTS Department of Elementary and Secondary Education'. A navigation bar includes 'En Español' with a menu icon and the DESE logo. Below this, three main navigation buttons are visible: 'Test History', 'Test Results' (which is highlighted with a blue border and a pointer from the callout box), and 'Resources'. The user information section displays: 'Student Name: Student, Demo', 'Student Grade: 08', 'District: Cyber City', 'SASID: 9990000004', and 'School: Cyber Middle', 'Date of Birth: 03/14/2009'. A prominent blue banner indicates the subject and time: 'English Language Arts - Spring 2025'. Below the banner, a paragraph explains that the results are from the 2025 MCAS Alternate Assessment (MCAS-Alt) and that all students are required to participate. A second paragraph provides further context, stating that the MCAS-Alt is a record of achievement and that parents were invited to review the results with their child's educator(s). At the bottom of the page, the subject 'English Language Arts' and the performance level 'Progressing' are displayed.

How did your student do on the Massachusetts Comprehensive Assessment System - Alternate (MCAS-Alt) English Language Arts assessment?

Achievement Level	Description
<b>Progressing</b>	A student at this level demonstrated a <b>partial understanding below grade-level expectations</b> of selected learning standards and core knowledge topics contained in the Massachusetts curriculum framework for the subject. Students at this level are steadily learning new knowledge, skills, and concepts. Students require minimal prompting and assistance, and their performance is basically accurate.
<b>Emerging</b>	A student at this level demonstrated a <b>simple understanding below grade-level expectations</b> of a limited number of learning standards and core knowledge topics contained in the Massachusetts curriculum framework for the subject. Students at this level require frequent prompting and assistance, and their performance is limited and inconsistent.
<b>Awareness</b>	A student at this level demonstrated <b>very little understanding</b> of learning standards and core knowledge topics contained in the Massachusetts curriculum framework for the subject. Students at this level require extensive prompting and assistance, and their performance is mostly inaccurate.
<b>Incomplete</b>	<b>Sufficient evidence and information</b> was not included to allow an achievement level to be determined in the subject.

**Your child's MCAS-Alt was scored in the following Scoring Areas**

**Level of Complexity — How your child addressed the learning standards in each subject (strand)**

- 5 - Student addresses a broad range of curriculum framework learning standards (three or more) at grade-level expectations in this strand.
- 4 - Student addresses a narrow sample of curriculum framework learning standards (one or two) at grade-level expectations in this strand.
- 3 - Student addresses curriculum framework learning standards that have been modified below grade-level expectations in this strand.
- 2 - Student primarily addresses social, motor, and communication "access skills" during instruction based on curriculum framework learning standards in this strand.
- 1 - Strand reflects little or no basis in, or is unmatched to, curriculum framework learning standard(s) required for assessment.

**Demonstration of Skills and Concepts — The percentage of accurate (correct) responses**

- 4 - Student's performance is accurate and is of consistently high quality in this strand (76-100% accurate).
- 3 - Student's performance is mostly accurate and demonstrates some understanding in this strand (51-75% accurate).
- 2 - Student's performance is limited and inconsistent with regard to accuracy and demonstrates limited understanding in this strand (26-50% accurate).
- 1 - Student's performance is primarily inaccurate and demonstrates minimal understanding in this strand (0-25% accurate).
- M - Strand contains insufficient information to determine a score.

**Independence — The amount of assistance your child received**

- 4 - Student requires minimal verbal, visual, and physical assistance to demonstrate skills and concepts in this strand (76-100% independent).
- 3 - Student requires some verbal, visual, and physical assistance to demonstrate skills and concepts in this strand (51-75% independent).
- 2 - Student requires frequent verbal, visual, and physical assistance to demonstrate skills and concepts in this strand (26-50% independent).
- 1 - Student requires extensive verbal, visual, and physical assistance to demonstrate skills and concepts in this strand (0-25% independent).
- M - Strand contains insufficient information to determine a score.

**Self-Evaluation — Your child's awareness of his or her performance**

- 2 - Student frequently plans, self-corrects, monitors, sets goals, and reflects in this subject; multiple examples of self-evaluation were found in this strand.
- 1 - Student infrequently plans, self-corrects, monitors, sets goals, and reflects in this subject; only one example of self-evaluation was found in this strand.
- M - Evidence of planning, self-correction, task-monitoring, goal-setting, and reflection was not found in this strand.

**Generalized Performance — The number of approaches used by your child to demonstrate knowledge and skills**

- 2 - Student demonstrates knowledge and skills in multiple contexts, or uses multiple approaches and/or methods of response and participation in this strand.
- 1 - Student demonstrates knowledge and skills in one context, or uses one approach and/or method of response and participation in this strand.
