Additional Comments:

- Encourage resubmission of portfolio with additional student work in strands that are incomplete.
- Additional review of the *Massachusetts Science and Technology/Engineering Curriculum Framework* may be needed to fully document learning standard(s) (see Comments).
- Show all work by the student. Responses by themselves are insufficient.
- Please review submission requirements for competency determination portfolios available online at: <http://www.doe.mass.edu/mcasappeals/filing/portfolio/#>
- Please attach Grade 10 *Work Description Labels* to each work sample (available online at above web address).
- One or more work samples either were not scored by the teacher or were scored incorrectly.
- Type and frequency of assistance provided to student was not indicated.

Key

* Evidence is:
 (S) – Sufficient in this standard
 (I) – Insufficient in this standard (more evidence needed)
 (U) – Unmatched to standard
