

As of July 15, 2025:

- PRS received **371** new state complaints filed within the last three months.
- PRS had **414** state complaints pending.
  - Of the total number of state complaints pending at the time of reporting:
    - **203** complaints were within the 60-day investigation timeline.
    - **211** complaints were beyond the 60-day investigation timeline.
      - Of the complaints beyond the 60-day investigation timeline:
        - **200** complaints had Local Reports requested.
          - **185** of the complaints had Local Reports received.
        - **10** complaints were beyond the 60-day timeline subject to allowable extensions, which includes matters set aside because of a pending Bureau of Special Education Appeals matter.
- PRS had **207** state complaints in the corrective action stage with open required actions.
  - Of those open state complaint decisions, **9** had overdue required corrective action. Overdue corrective action is defined as corrective action that has been unresolved within one calendar year of the identified non-compliance.
