## Standards-Aligned Instructional Tasks

Our **STEM Ambassadors** have been working with educators across the state to develop and pilot high-quality classroom tasks aligned to the current state standards for:

- **math (grades 4-8)**
- **STE (grades 6-12)**

Come learn more about the tasks, students' responses to them, and how you can use the Ambassadors' work to improve STEM instruction in your district!

**Where:**

Worcester Polytechnic Institute

**When:**

Tuesday, June 11<sup>th</sup> 9am-3pm

**Who:**

Massachusetts Science and Math Educators

**Register Here:**

A former Offensive Guard/Center for the Baltimore Ravens and current doctoral candidate at MIT, **John Urschel** is arguably the most unique and well-rounded player in NFL history. John has also:

- written his own theorem
- published multiple papers in prestigious mathematics and scientific journals
- been on the Forbes' "30 under 30" list of outstanding young scientists
- committed to sparking a passion for STEM within the next generation
